

NPARL Request for & Documentation of Training

The NPA encourages training for employees at all grade levels since a well-trained workforce is an asset to the Agency and the Area. Training can be directly related to the individual's performance of official duties to training that improves individual and organizational performance and assists the Agency in achieving its mission and performance goals.

➤ **TRAINEE:** Complete SF-182 Request, Authorization, Agreement and Certification of Training in **AgLearn**. You must use Internet Explorer to **create** the SF-182. The rest of the functions appear to work in Firefox.

1. Send an e-mail request for a training number to your AO (Barb). Include the following:
 - Dates of training-Location of Training-Title of Training-Cost of Tuition
2. Log into AgLearn; Click on [Learning] [SF182 Requests] ; Click on 
3. AgLearn will populate some of the fields with your information

➤ **TRAINING THAT REQUIRES AREA APPROVAL**

- Tuition >\$2,500.00 (not including travel), customized training
- Managerial/Supervisory courses and development programs that require special handling and the Area Director's Approval
 - Congressional Briefing Conference
