SUPPLEMENTARY INFORMATION: OTS is amending its regulations to incorporate a number of technical and conforming amendments. OTS is making the following miscellaneous changes:

- *Part 506—Information Collection Requirements under the Paperwork Reduction Act (PRA).* The final rule updates the table displaying the OMB control numbers assigned to various OTS regulations under the PRA by adding and amending references to a control number. See 12 CFR 506.1(b).

Administrative Procedure Act; Riegle Community Development and Regulatory Improvement Act of 1994

OTS finds that there is good cause to dispense with prior notice and comment

on this final rule and with the 30-day delay of effective date mandated by the Administrative Procedure Act.¹ OTS believes that these procedures are unnecessary and contrary to public interest because the rule merely corrects and clarifies existing provisions. Because the amendments in the rule are not substantive, these changes will not detrimentally affect savings associations.

Section 302 of the Riegle Community Development and Regulatory Improvement Act of 1994 provides that regulations that impose additional reporting, disclosure, or other new requirements may not take effect before the first day of the quarter following publication.² This section does not apply because this final rule imposes no additional requirements and makes only technical changes to existing regulations.

Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act,³ the OTS Director certifies that this technical corrections regulation will not have a significant economic impact on a substantial number of small entities.

Executive Order 12866

OTS has determined that this rule is not a "significant regulatory action" for purposes of Executive Order 12866.

Unfunded Mandates Reform Act of 1995

OTS has determined that the requirements of this final rule will not result in expenditures by State, local, and tribal governments, or by the private sector, of \$100 million or more in any one year. Accordingly, a budgetary impact statement is not required under section 202 of the Unfunded Mandates Reform Act of 1995.

BILLING CODE 6720–01–P

NATIONAL CREDIT UNION ADMINISTRATION**12 CFR Part 701****Organization and Operations of Federal Credit Unions**

AGENCY: National Credit Union Administration (NCUA).

ACTION: Final rule.

SUMMARY: NCUA is updating and clarifying the definitions of certain terms used in NCUA’s loan participation rule. Specifically, the definition of “credit union organization” is amended to conform to the terms of the credit union service organizations (CUSOs) rule. Also, the definition of “financial organization” is broadened to provide federal credit unions (FCUs) greater flexibility in choosing appropriate loan participation partners.

DATES: This final rule is effective January 29, 2004.

FOR FURTHER INFORMATION CONTACT: Frank Kressman, Staff Attorney, Office of General Counsel, at the above address or telephone: (703) 518–6540.

SUPPLEMENTARY INFORMATION:**A. Background**

NCUA issued a proposed rule on June 26, 2003 to update and clarify § 701.22, its loan participation rule. 68 FR 39866 (July 3, 2003). In the proposal, NCUA noted many of the benefits loan participation offers FCUs. Specifically, engaging in loan participations is an effective tool for FCUs to manage liquidity and concentration risk. Loan participation is also a way for FCUs to comply with NCUA or self-imposed lending limits. Small FCUs are able to improve the diversification of their loan portfolios by participating in loans originated by larger FCUs that have the resources to underwrite a wider variety of loan types.

Section 701.22 of NCUA’s regulations provides that an FCU may engage in loan participations with “eligible organizations” and defines that term as a credit union, credit union organization, or financial organization. 12 CFR 701.22(b), 12 CFR 701.22(a)(2). The rule further defines “credit union organization” and “financial organization.” 12 CFR 701.22(a)(4) and (a)(5).

The Federal Credit Union Act (Act) defines “credit union organization” as “any organization as determined by the Board, which is established primarily to serve the needs of its member credit unions, and whose business relates to the daily operations of the credit unions they serve.” 12 U.S.C. 1757(5)(D). Section 701.22(a)(4) echoes this definition, but specifically excludes, among others, some CUSOs, which it describes as “corporations or other businesses which principally provide services to credit union members as opposed to corporations or businesses whose business relates to the daily in-house operation of credit unions.” 12 CFR 701.22(a)(4). Formerly, NCUA’s CUSO rule distinguished between CUSOs providing operational services to FCUs and those providing financial services to FCU members.

In a 1998 final rule, NCUA eliminated that distinction in the CUSO rule. 63 FR 10743 (March 5, 1998). Under NCUA’s regulations, CUSOs are entities that engage in providing products and services related to the routine daily operations of credit unions to credit unions and credit union members. 12 CFR 712.3, 712.5. In the June 2003 proposal, NCUA proposed to amend the definition of “credit union organization” in the loan participation rule to conform to NCUA’s interpretation of that term in the CUSO rule.

The Act does not define the term “financial organization.” Section 701.22(a)(5) defines it as “any federally chartered or federally insured financial institution.” 12 CFR 701.22(a)(5). Although the Act is silent, the rule derives its definition from the legislative history of the 1977 public law that granted FCUs various additional authorities, including the authority to engage in loan participations. H.R. Rep. No. 95–23, at 12 (1977), *reprinted* in 1977 U.S.C.C.A.N. 115. In granting this authority, Congress expressed its intent to enhance the ability of FCUs to serve their members’ loan demands.

Consistent with congressional intent to enhance the ability of FCUs to serve their members’ loan demands through participations, NCUA proposed to expand the regulatory definition of “financial organization” to include state and federal government agencies. NCUA is aware that there are various state and federal government supported loan programs that are particularly geared to underserved borrowers. These types of programs, which include agricultural and small business lending, are ideally suited to the mission of FCUs. Also, the proposal was intended to afford FCUs
