#### V. Conclusion: Analysis of the Environmental Assessment Submitted by the Sponsor

On the basis of the Final Environmental Assessment, the Department's independent review of that assessment, information developed during the review of the application and Environmental Assessment, comments received by the Department from Federal and state agencies and the public, and measures that Valero has or is prepared to undertake to mitigate prevent potentially adverse environmental impacts, the Department has concluded that issuance of a Presidential Permit authorizing construction of the proposed Dos Laredos Pipeline would not have a significant impact on the quality of the human environment within the United States. Accordingly, a Finding of No Significant Impact is adopted and an environmental impact statement will not be prepared.

The Final Environmental Assessment addressing this action is on file and may be reviewed by interested parties at the Department of State, 2200 C Street NW., Room 3535, Washington, DC 20520 (Attn: Mr. Pedro Erviti, Tel. 202-647-1291).

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice of availability and request for public comment.

**SUMMARY:** The Office of the U.S. Trade Representative (USTR), on behalf of the Trade Policy Staff Committee (TPSC), seeks comment on the interim environmental review of the proposed U.S.-Australia Free Trade Agreement (FTA). The interim environmental review is available at <http://www.ustr.gov/environment/environmental.shtml>. Copies of the review will also be sent to interested members of the public by mail upon request.

**DATES:** Comments on the draft environmental review are requested by January 16, 2004 to inform negotiations. Comments received after January 16, 2004 will be taken into account in the preparation of the review of the final agreement.

**FOR FURTHER INFORMATION CONTACT:** For procedural questions concerning public comments, contact Gloria Blue, Executive Secretary, TPSC, Office of the USTR, 1724 F Street, NW., Washington, DC 20508, telephone (202) 395-3475. Questions concerning the environmental review, or requests for copies, should be addressed to David Brooks, Environment and Natural Resources Section, Office of the USTR, telephone (202) 395-7320.

**SUPPLEMENTARY INFORMATION:** The Trade Act of 2002, signed by the President on August 6, 2002, provides that the President shall conduct environmental reviews of [certain] trade agreements consistent with Executive Order 13121—*Environmental Review of Trade Agreements* (64 FR 63,169, Nov. 18, 1999) and its implementing guidelines (65 FR 79,442, Dec. 19, 2000) and report on such reviews to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate. The Order and guidelines are available at <http://www.ustr.gov/environment/environmental.shtml>.

The purpose of environmental reviews is to ensure that policymakers and the public are informed about reasonably foreseeable environmental impacts of trade agreements (both positive and negative), to identify complementarities between trade and environmental objectives, and to help shape appropriate responses if environmental impacts are identified. Reviews are intended to be one tool, among others, for integrating environmental information and analysis into the fluid, dynamic process of trade negotiations.
