

the Department of Commerce (the Department) published its final determination that high and ultra-high voltage ceramic station post insulators (HVSPs) from Japan are being, or are likely to be, sold in the United States at less than fair value (LTFV). See *Notice of Final Determination of Sales at Less Than Fair Value: High and Ultra-High Voltage Ceramic Station Post Insulators from Japan* (68 FR 62560). On December 19, 2003, in accordance with section 735(d) of the Act, the U.S. International Trade Commission (the ITC) notified the Department of its final determination that an industry in the United States is materially injured by reason of LTFV imports of subject merchandise from Japan.

Therefore, in accordance with section 736(a)(1) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the U.S. price of the merchandise for all relevant entries of HVSPs from Japan. These antidumping duties will be assessed on all unliquidated entries of HVSPs that are entered, or withdrawn from warehouse, for consumption on or after June 16, 2003, the date on which the Department published its notice of an affirmative preliminary determination in the **Federal Register**. See *Notice of Preliminary Determination of Sales at Less Than Fair Value: High and Ultra-High Voltage Ceramic Station Post Insulators from Japan* (68 FR 35627). CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the estimated weighted-average antidumping duty margins listed below. The weighted-average percentage dumping margins are as follows:

Manufacturer/Exporter	Weighted-Average Percent Margin
NGK Insulators Ltd. ....	105.80
All Others .....	105.80

This notice constitutes the antidumping duty order with respect to HVSPs from Japan. Interested parties may contact the Department's Central Records Unit, room B-099 of the main Commerce building, for copies of an updated list of antidumping duty orders currently in effect.

This order is issued and published in accordance with section 736(a) of the Act and 19 C.F.R. § 351.211.

Dated: December 22, 2003.
