BILLING CODE 4710-25-P

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Parts 4011 and 4022

Disclosure to Participants; Benefits Payable in Terminated Single-employer Plans

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This rule amends appendix D to the Pension Benefit Guaranty Corporation’s regulation on Benefits Payable in Terminated Single-Employer Plans by adding the maximum guaranteeable pension benefit that may be paid by the PBGC with respect to a plan participant in a single-employer pension plan that terminates in 2004. This rule also amends the PBGC’s regulation on Disclosure to Participants by adding information on 2004 maximum guaranteed benefit amounts to Appendix B. The amendment is necessary because the maximum guarantee amount changes each year, based on changes in the contribution and benefit base under section 230 of the Social Security Act. The effect of the amendment is to advise plan participants and beneficiaries of the

increased maximum guarantee amount for 2004.

EFFECTIVE DATE: January 1, 2004.

FOR FURTHER INFORMATION CONTACT: Harold J. Ashner, Assistant General Counsel, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026; 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: Section 4022(b) of the Employee Retirement Income Security Act of 1974 provides for certain limitations on benefits guaranteed by the PBGC in terminating single-employer pension plans covered under Title IV of ERISA. One of the limitations, set forth in section 4022(b)(3)(B), is a dollar ceiling on the amount of the monthly benefit that may be paid to a plan participant (in the form of a life annuity beginning at age 65) by the PBGC. The ceiling is equal to “\$750 multiplied by a fraction, the numerator of which is the contribution and benefit base (determined under section 230 of the Social Security Act) in effect at the time the plan terminates and the denominator of which is such contribution and benefit base in effect in calendar year 1974 [\$13,200].” This formula is also set forth in § 4022.22(b) of the PBGC’s regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR part 4022). Appendix D to part 4022 lists, for each year beginning with 1974, the maximum guaranteeable benefit payable by the PBGC to participants in single-employer plans that have terminated in that year.

Section 230(d) of the Social Security Act (42 U.S.C. 430(d)) provides special rules for determining the contribution and benefit base for purposes of ERISA section 4022(b)(3)(B). Each year the Social Security Administration determines, and notifies the PBGC of, the contribution and benefit base to be used by the PBGC under these provisions, and the PBGC publishes an amendment to appendix D to part 4022 to add the guarantee limit for the coming year.

The PBGC has been notified by the Social Security Administration that, under section 230 of the Social Security Act, \$65,100 is the contribution and benefit base that is to be used to calculate the PBGC maximum guaranteeable benefit for 2004. Accordingly, the formula under section 4022(b)(3)(B) of ERISA and 29 CFR 4022.22(b) is: \$750 multiplied by \$65,100/\$13,200. Thus, the maximum monthly benefit guaranteeable by the PBGC in 2004 is \$3,698.86 per month in
