Section 73.1870(b)(3) requires that this designation must be in writing and posted with the station license. Section 73.1230 requires that all licensees post station licenses "at the place the licensee considers the principal control point of the transmitter" generally at the transmitter site. Agreements with chief operators serving on a contract basis must be in writing with a copy kept in the station files. Section 73.1870(c)(3) requires that the chief operator, or personnel delegated and supervised by the chief operator, review the station records at least once each week to determine if required entries are being made correctly, and verify that the station has been operated in accordance with FCC rules and the station authorization. Upon completion of the

review, the chief operator must date and sign the log, initiate corrective action, which may be necessary, and advise the station licensee of any condition, which is repetitive. The posting of the designation of the chief operator is used by interested parties to readily identify the chief operator. NPCR, Inc. d/b/a/ Nextel Partners Petition for Designation as an Eligible Telecommunications Carrier in the Commonwealth of Pennsylvania

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: In this document, the Wireline Competition Bureau sought comment on the Nextel Partners Pennsylvania (Nextel Partners PA) petition. Nextel Partners PA seeks designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered in those portions of their licensed service area located in rural study areas in Pennsylvania.

DATES: Comments are due on or before July 7, 2003. Reply comments are due on or before July 14, 2003.

ADDRESSES: Federal Communications Commission, 445 Twelfth Street, SW., Washington, DC 20554. See **SUPPLEMENTARY INFORMATION** for further filing instructions.

FOR FURTHER INFORMATION CONTACT: Karen Franklin, Attorney, Wireline Competition Bureau, Telecommunications Access Policy Division, (202) 418-7400, TTY (202) 418-0494.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Public Notice, CC Docket No. 96-45, released June 12, 2003. On April 3, 2003, NPCR, Inc. d/b/a/ Nextel Partners (Nextel Partners PA) filed with the Commission a petition under section 214(e)(6) of the Communications Act of 1934, as amended. In particular, Nextel Partners PA seeks designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered in those portions of Nextel Partners PA's licensed service area located in rural study areas in Pennsylvania currently served by Bentleyville Communications Company,

Frontier Communications of Breezewood, Inc., Buffalo Valley Telephone Company, Frontier Communications of Canton, Inc., Commonwealth Telephone Company, Conestoga Telephone & Telegraph Company, Denver and Ephrata Telephone & Telegraph Company, Ironton Telephone Company, Lackwaxen Telecommunications Services, Inc., Laurel Highland Telephone Company, Mahanoy and Mahantongo Telephone Company, Marianna & Scenery Hill Telephone Company, North Eastern Pennsylvania Telephone Company, North Penn Telephone Company, Armstrong Telephone Company—North, Palmerton Telephone Company, Pennsylvania Telephone Company, Pymatuning Independent Telephone Company, South Canaan Telephone Company, Sugar Valley Telephone Company, Venus Telephone Corporation, and West Side Telecommunications.

Nextel Partners PA contends that the Pennsylvania Public Utility Commission (Pennsylvania Commission) lacks jurisdiction to consider Nextel Partners PA's petition because wireless carriers are not subject to state jurisdiction in Pennsylvania. Hence, according to Nextel Partners PA, the Commission has jurisdiction under section 214(e)(6) to consider and grant its petition. Nextel Partners PA also maintains that it satisfies all the statutory and regulatory prerequisites for ETC designation, and that designating Nextel Partners PA as an ETC will serve the public interest.

The petitioner must provide copies of its petition to the Pennsylvania Commission. The Commission will also send a copy of this Public Notice to the Pennsylvania Commission by overnight express mail to ensure that the Pennsylvania Commission is notified of the notice and comment period.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments as follows: comments are due July 7, 2003 and reply comments are due July 14, 2003.
