C. Not to encumber, transfer, or dispose of the property or any part thereof, acquired wholly or in part with Grantor funds, without the written consent of the Grantor.

D. If required by Grantor, record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal grant funds, and that use and disposition conditions apply to the property as provided by 7 CFR part 3015.

Reporting

A. Will after Grant Approval through Project Construction:

1. Provide periodic reports as required by the Grantor. A financial status report and a project performance report will be required on a quarterly basis (Due 30 working days after end of the quarter. For the purposes of this grant, quarters end on March 31, June 30, September 30, and December 31). The financial status report must show how grant funds and leveraged funds have been used to date and project the funds needed and their purposes for the next quarter. A final report may serve as the last quarterly report. Grantees shall constantly monitor performance to ensure that time schedules are being met and projected goals by time periods are being accomplished. The project performance reports shall include the following:

a. A comparison of actual accomplishments to the objectives for that period.

b. Reasons why established objectives were not met, if applicable.

c. Reasons for any problems, delays, or adverse conditions which will affect attainment of overall program objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular objectives during established time periods. This disclosure shall be accomplished by a statement of the action taken or planned to resolve the situation.

d. Objectives and timetables established for the next reporting period.

2. Final project development report which includes a detailed project funding and expense summary; summary of facility installation/ construction process including recommendations for development of similar projects by future applicants to the program.

3. For the year(s) in which in Grant funds are received, Grantee will provide an annual financial statement (Generally Accepted Accounting Principles basis for small businesses) to Grantor.

B. Will after Project Construction:

1. Allow Grantor access to the project and its performance information during its useful life.

2. Provide periodic reports as required by Grantor and permit periodic inspection of the project by a representative of the Grantor. Grantee reports will include but not be limited to the following:

a. Purchase of Renewable Energy System Project Report. Commencing the first full calendar year following the year in which project construction was completed and continuing for 3 full years a report detailing the following will be provided:

i. Quantity of Energy Produced. Grantee to report the actual amount of energy produced in BTUs, kilowatts, or similar energy equivalents.

ii. Environmental Benefits. If applicable, Grantee to provide documentation that identified health and/or sanitation problem has been solved.

iii. Return on Investment. Grantee to provide the annual income and/or energy savings of the renewable energy system.

iv. Summary of the cost of operating and maintaining the facility.

v. Description of any maintenance or operational problems associated with the facility.

vi. Recommendations for development of future similar projects.

b. Energy Efficiency Improvement Project Report. Commencing the first full calendar year following the year in which project construction was completed and continuing for 2 full years. Grantee will report the actual amount of energy saved due to the energy efficiency improvements.

Grant Disbursement

Will disburse grant funds as scheduled. Unless required by funding partners to be provided on a pro rata basis with other funding sources, grant funds will be disbursed after all other funding sources have been expended.

A. Requests for reimbursement may be submitted monthly or more frequently if authorized to do so by the Grantor. Ordinarily, payment will be made within 30 days after receipt of a proper request for reimbursement.

B. Grantee shall not request reimbursement for the Federal share of amounts withheld from contractors to ensure satisfactory completion of work until after it makes those payments.

C. Payment shall be made by electronic funds transfer.

C. Payment shall be made by electronic funds transfer.

D. Standard Form 271, "Outlay Report and Request for Reimbursement for

Construction Programs," or other format prescribed by Grantor shall be used to request Grant reimbursements.

E. For renewable energy projects, grant funds will be disbursed in accordance with the above through 90 percent of grant disbursement. The final 10 percent of grant funds will be held by the Grantor until construction of the project is completed, operational, and has met or exceeded the test run requirements as set out in the grant award requirements.

Post-Disbursement Requirements

Will own, operate, and provide for continued maintenance of the Project.

IN WITNESS WHEREOF, Grantee has this day authorized and caused this Agreement to be signed in its name and its corporate seal to be hereunto affixed and attested by its duly authorized officers thereunto, and the Grantor has caused this Agreement to be duly executed in its behalf by:
