SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. An agency may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The OCC is soliciting comment concerning its information collection titled, "Leasing—12 CFR part 23."

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval, without change, of the following information collection:

Title: Leasing—12 CFR part 23.*OMB Number:* 1557-0206.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend its approval of the information collection.

The information collection requirements in 12 CFR part 23 are as follows:

12 CFR 23.4(c)—Reporting requirement: National banks must liquidate or re-lease personal property that is no longer subject to lease (off-lease property) within five years from the lease expiration. A bank wishing to extend that five-year holding period for up to an additional five years must obtain OCC approval. To ensure that a bank is not holding property for speculative reasons, the OCC requires the bank to provide a clearly convincing demonstration as to why an additional holding period is necessary. This requirement confers a benefit on national banks and may result in cost savings. This requirement provides flexibility for a bank when it faces unusual and unforeseen conditions under which it would be imprudent to dispose of the off-lease property.

12 CFR 23.4(c)—Recordkeeping requirement: A bank must value off-lease property at the lower of current fair market value or book value promptly after the property comes off-lease.

12 CFR 23.5—Recordkeeping requirement: If a national bank enters into both CEBA leases (a personal property lease authorized under 12 U.S.C. 24(Tenth)) and section 24(Seventh) leases (a personal property lease authorized under 12 U.S.C. 24(Seventh)), the bank's records must distinguish between the two types of

leases. This information is required to evidence compliance with the statutory limitation on the aggregate amount a national bank may invest in leases pursuant to 12 U.S.C. 24 (Tenth).

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 580.

Estimated Total Annual Responses: 625.

Estimated Total Annual Burden: 1,610 hours.

Frequency of Response: On occasion.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: May 30, 2003.
