

review. Upon issuance of the final results of this administrative review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (i.e., at or above 0.5 percent), the Department will instruct the BCBP to assess antidumping duties on appropriate entries by applying the assessment rate to the entered quantity of the merchandise. For assessment purposes, we calculated importer-specific assessment rates for the subject merchandise by aggregating the dumping duties due for all U.S. sales to each importer and dividing the amount by the total entered quantity of the sales to that importer.

The following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of certain polyester staple fiber from Korea entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed companies will be the rate established in the final results of this administrative review (except no cash deposit will be required if its weighted-average margin is *de minimis*, i.e., less than 0.5 percent); (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the original less-than-fair-value investigation or a previous review, the cash deposit will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received an individual rate; (3) if the exporter is not a firm covered in this review, the previous review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, the cash deposit rate will be 11.35 percent, the "all others" rate established in *Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Polyester Staple Fiber from the Republic of Korea, and Antidumping Duty Orders: Certain Polyester Staple Fiber from the Republic of Korea and Taiwan*, 65 FR 33807 (May 25, 2000).

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping

duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 2, 2003.

#### **Stainless Steel Bar from India; Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Extension of Time Limit.

**SUMMARY:** The Department of Commerce is extending the time limit for the final results of the administrative review of the antidumping duty order on stainless steel bar from India. The period of review is February 1, 2001, through January 31, 2002. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

**DATES:** EFFECTIVE DATE: June 9, 2003.

**FOR FURTHER INFORMATION CONTACT:** Cole Kyle, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; at telephone (202) 482-1503.

#### Background

On March 7, 2003, the Department published the preliminary results of the administrative review of the antidumping duty order on stainless steel bar from India covering the period February 1, 2001 through January 31, 2002 (68 FR 11058). The final results for the antidumping duty administrative review of stainless steel bar from India are currently due no later than July 7, 2003.

#### Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), requires the Department of Commerce ("the Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

The Department recently conducted sales verifications of each of the respondents involved in this administrative review and is currently conducting the cost of production verifications. In order to allow sufficient time for the parties to analyze the verification results and to submit written arguments and for the Department, in turn, to analyze those arguments, we find that it is not practicable to complete this review within the originally anticipated time limit (i.e., July 7, 2003). Therefore, the Department is extending the time limit for completion of the final results to no later than August 4, 2003, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 3, 2003.
