Schedules e-Library

Schedules e-Library is the online source for the latest contract award information for GSA and Department of Veterans Affairs (VA) Schedules, as well as Governmentwide Acquisition Contracts (GWACs). Schedules e-Library provides information on which suppliers have a contract and what items are available, by using various search options—i.e., Contractor/Manufacturer Name, Contract Number, Special Item Number (SIN), Schedule Number, GWAC Name, or Keywords.

This program utilizes the advances of electronic commerce while providing access 24 hours a day, 7 days a week.

GSA Advantage!®

GSA Advantage!® is the online shopping and ordering system that provides access to thousands of contractors and millions of supplies and services. Although anyone may browse on GSA Advantage!®, only a federal government employee with a GSA SmartPay® purchase card or a GSA Activity Address Code (AAC) may shop on GSA Advantage!®.

e-Buy

e-Buy, a component of GSA Advantage!®, is an online Request for Quotation (RFQ) tool designed to facilitate the request for submission of quotations for a wide range of commercial supplies and services that are offered by GSA Schedule and Governmentwide Acquisition Contract (GWAC) contractors. For federal agencies (buyers), e-Buy maximizes their buying power by leveraging the power of the Internet to increase Schedule and GWAC contractor participation to obtain quotations that result in best value purchase decisions.

For Schedule and GWAC contractors (sellers), e-Buy provides greater opportunities to offer quotations and increase business volume for supplies and services provided under their Schedule contracts and GWACs.

Total Solutions for Law Enforcement, Security, Facility Management Systems, Fire, Rescue, Special Purpose Clothing, Marine Craft, and Emergency/Disaster Response

Law Enforcement, Security, Facility Management Systems, Fire, Rescue, Special Purpose Clothing, Marine Craft, and Emergency/Disaster Response

Whether it is protecting our shorelines, patrolling our harbors, ports, and federally controlled lakes and rivers, or oil-spill containment, this schedule has all types of marine craft, equipment and services to meet your needs.

For all of your law enforcement protection, prevention, apprehension, or investigative needs, this schedule can provide equipment and services for personal, vehicular or facility applications.

Items on this schedule can help you extinguish fires, manage controlled burns, and provide personal respiratory protection. Additionally, products are included for search and rescue, both to assist your entry into buildings or vehicles, and to safely evacuate personnel.

Check out our process monitoring, hazard alarms, audible/visual alarms, anti-theft alarms, patient wandering systems and fire alarm systems. We have facility management systems for security functions and energy management functions. Services such as professional security, facility management and guard services are also located in this schedule.

To protect one's self from the elements, fire, biochemical exposure, accidental immersion, or other hazardous materials, see what is available in this schedule. Uniforms and safety shoes and boots of all types are all offered on this schedule.

- Surveillance Equipment
- Vehicle Armoring

Disaster Recovery Purchasing (Section 833)

Disaster Recovery Purchasing makes all GSA Multiple Award

Schedules available to all state and local governments to enable them to respond and assist in the recovery from a disaster.

State and local governmental entities may use GSA Schedule contracts to purchase products and services in advance of a major disaster declared by the president, as well as in the aftermath of an emergency event. State and local governmental entities are responsible for ensuring that the products or services purchased are to be used to facilitate recovery.

This is a voluntary program for Schedule contract holders and state and local governments.

All GSA Multiple Award Schedule contracts are open to state and local government agencies for the specific purpose of disaster recovery only. For more information visit: www.gsa.gov/disasterrecovery
