

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)¹⁴ thereunder because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the Exchange has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

The Amex has requested that the Commission waive the five-day pre-filing notice and the 30-day operative delay. The Commission believes that waiving the five-day pre-filing notice and the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that fee suspensions for the exchange-traded funds that are the subject of this filing have been previously filed with the Commission.¹⁵ Further, extension of the fee suspension for specialist, Registered Trader, and broker-dealer orders will permit the fee suspensions to continue uninterrupted. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁶

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions

should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-Amex-2003-57 and should be submitted by August 25, 2003.

[Release No. 34-48243; File No. SR-Amex-2003-68]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the American Stock Exchange LLC To Remove the Six-Month Limitation on the Waiver of Transaction Fees Related to Nasdaq UTP Securities and To Expand the Cap on the Amount of Transaction Fees To Cover All Transactions Related to Nasdaq UTP Securities

July 29, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 16, 2003, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Amex has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the Exchange

under section 19(b)(3)(A)(ii) of the Act,³ and Rule 19b-4(f)(2)⁴ thereunder which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to remove the six-month limitation on the waiver of transaction fees related to Nasdaq securities admitted to dealings on an unlisted trading privileges basis ("Nasdaq UTP securities"), and to expand the scope of the cap on the dollar amount of transaction fees to cover all transactions related to Nasdaq UTP securities, and not solely cross trades. The text of the proposed rule change is available at the Amex and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for its proposal and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex proposes to implement two changes to its transaction fees for Nasdaq UTP securities. First, the Amex proposes to eliminate the six-month limitation on the waiver of transaction fees for specialist principal trades by specialist firms that do not charge any commission to customers in Nasdaq UTP securities. Second, the Amex proposes to expand the scope of the cap on the dollar amount of transaction fees to cover all transactions related to Nasdaq UTP securities. Currently, the cap of \$50 per side per trade only applies to cross trades. The Amex notes that the proposed fee changes are intended to reduce the cost of executing transactions on the Amex.

⁴ 17 CFR 240.19b-4(f)(2).

2. Statutory Basis

The Exchange believes that the proposal is consistent with section 6(b) of the Act⁵ in general and furthers the objectives of section 6(b)(4) of the Act⁶ in particular in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among Amex members and issuers and other persons using the Amex's facilities.

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48237; File No. SR-CBOE-2003-08]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Chicago Board Options Exchange, Incorporated To Establish a Limited Pilot Program Relating to Maximum Bid/Ask Differentials

July 28, 2003.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2003, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. On July 25, 2003, the Exchange submitted Amendment No. 1 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to amend its rules to adopt a limited pilot program relating

to maximum bid/ask differentials. The text of the proposed rule change is available at the Office of the Secretary, CBOE and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background

The Exchange is proposing to adopt, on a pilot basis, a limited exemption to the Market-Maker bid/ask differential requirements contained in CBOE Rule 8.7(b)(iv). More specifically, as part of accommodating compliance with the Plan for the Purpose of Creating and Operating an Intermarket Options Linkage (the "Linkage Plan"),⁴ the Exchange is introducing a new "autofade" functionality which will cause one side of CBOE's disseminated quote to move to an inferior price when the quote is required to fade pursuant to the terms of the Linkage Plan and/or when the size associated with the quote has been depleted by automatic executions (of both Linkage orders and non-Linkage orders).

Linkage orders are generally Immediate or Cancel limit orders priced at the National Best Bid or Offer ("NBBO") that must be acted upon within 15 seconds. The Linkage Plan provides several instances in which a Participant receiving a linkage order must fade its quote. For example, if a Participant receives a Principal Acting as Agent ("PA") order for a size greater than the Firm Customer Quote Size and does not execute the entirety of the PA Order within 15 seconds, the Participant is required to fade its quote. CBOE's autofade functionality will automate the fading process to ensure that members (and the Exchange) are in full compliance with this aspect of the
