**SUMMARY:** The Bureau of Land Management (BLM) Butte Field Office is proposing supplementary rules in order to regulate fee collection at sites administered under the Land and Water Conservation Fund (43 U.S.C. 4601). The supplementary rules are necessary to help ensure that the public makes proper payment for recreational use of public lands facilities.

##### **I. Public Comment Procedures**

Comments on the proposed rule should be specific, should be confined to issues pertinent to the proposed rules, and should explain the reason for any recommended change. Where possible, your comments should reference the specific section or paragraph of the proposal that you are addressing. BLM may not necessarily consider or include in the Administrative Record for the final rule comments that BLM receives after the close of the comment period (see **DATES**) or comments delivered to an address other than those listed above (see **ADDRESSES**).

BLM will make your comments, including your name and address, available for public review at the Butte Office address listed in **ADDRESSES** above during regular business hours (8 a.m. to 4:30 p.m., Monday through Friday, except Federal holidays).

##### **II. Procedural Matters**

###### *Executive Order 12866, Regulatory Planning and Review*

These supplementary rules are not a significant regulatory action and are not subject to review by Office of Management and Budget under Executive Order 12866. These

supplementary rules will not have an effect of \$100 million or more on the economy. They are not intended to affect commercial activity, but contain rules of conduct for public use of certain recreational areas. They will not adversely affect, in a material way, the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities. These proposed supplementary rules will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency. The supplementary rules do not alter the budgetary effects of entitlements, grants, user fees, or loan programs or the right or obligations of their recipients; nor do they raise novel legal or policy issues.

##### **Clarity of the Supplementary Rules**

Executive Order 12866 requires each agency to write regulations that are simple and easy to understand. We invite your comments on how to make these proposed supplementary rules easier to understand, including answers to questions such as the following:

- (1) Are the requirements in the proposed supplementary rules clearly stated?
- (2) Do the proposed supplementary rules contain technical language or jargon that interferes with their clarity?
- (3) Does the format of the proposed supplementary rules (grouping and order of sections, use of headings, paragraphing, etc.) aid or reduce their clarity?
- (4) Would the supplementary rules be easier to understand if they were divided into more (but shorter) sections?
- (5) Is the description of the proposed supplementary rules in the **SUPPLEMENTARY INFORMATION** section of this preamble helpful in understanding the proposed supplementary rules? How could this description be more helpful in making the supplementary rules easier to understand?

Please send any comments you have on the clarity of the supplementary rules to the address specified in the **ADDRESSES** section.

##### *National Environmental Policy Act*

The BLM has prepared an environmental assessment (EA) or management agreement and has found that the proposed supplementary rules would not constitute a major Federal action significantly affecting the quality of the human environment under section 102(2)(C) of the Environmental Protection Act of 1969 (NEPA), 42 U.S.C. 4332(2)(C). The supplementary rules merely contain rules to require payment of camping fees and display of

tickets for use of certain recreational lands in Montana. These rules are designed to ensure proper payment for use of public land facilities. A detailed statement under NEPA is not required. BLM has placed the EA and the Finding of No Significant Impact (FONSI) on file in the BLM Administrative Record at the address specified in the **ADDRESSES** section. The BLM invites the public to review these documents and suggests that anyone wishing to submit comments in response to the EA and FONSI do so in accordance with the "Public comment procedure" section above.

##### *Regulatory Flexibility Act*

Congress enacted the Regulatory Flexibility Act (RFA) of 1980, as amended, 5 U.S.C. 601-612, to ensure that government regulations do not unnecessarily or disproportionately burden small entities. The RFA requires a regulatory flexibility analysis if a rule would have a significant economic impact, either detrimental or beneficial, on a substantial number of small entities. The supplementary rules do not pertain specifically to commercial or governmental entities of any size, but to public recreational use of specific public lands. Therefore, BLM has determined under the RFA that these proposed supplementary rules would not have a significant economic impact on a substantial number of small entities.

##### *Small Business Regulatory Enforcement Fairness Act (SBREFA)*

These supplementary rules do not constitute a "major rule" as defined at 5 U.S.C. 804(2). Again, the supplementary rules merely contain rules for fee payment for recreational use of certain public lands. The supplementary rules have no effect on business-commercial or industrial-use of the public lands.

##### *Unfunded Mandates Reform Act*

These supplementary rules do not impose an unfunded mandate on state, local, or tribal governments or the private sector of more than \$100 million per year; nor do these proposed supplementary rules have a significant or unique effect on state, local, or tribal governments or the private sector. The supplementary rules do not require anything of state, local, or tribal governments. Therefore, BLM is not required to prepare a statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*)

*Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights (Takings)*

The supplementary rules do not represent a government action capable of interfering with constitutionally protected property rights. The supplementary rules do not address property rights in any form, and do not cause the impairment of anybody's property rights. Therefore, the Department of the Interior has determined that the supplementary rules would not cause a taking of private property or require further discussion of takings implications under this Executive Order.

*Executive Order 13132, Federalism*

The supplementary rules will not have a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. The supplementary rules affect land in only one state, Montana, and do not address jurisdictional issues involving the state government. Therefore, in accordance with Executive Order 13132, BLM has determined that these proposed supplementary rules do not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

*Executive Order 12988, Civil Justice Reform*

Under Executive Order 12988, the Office of the Solicitor has determined that these proposed supplementary rules would not unduly burden the judicial system and that they meet the requirements of sections 3(a) and 3(b)(2) of the Order.

*Paperwork Reduction Act*

These proposed supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Dated: May 7, 2003.

*Acting State Director, Bureau of Land Management, Montana State Office.*

**Supplementary Rules for Fee Collection at Land and Water Conservation Fund Sites**

Under 43 CFR 8365 and 16 U.S.C. 4601-6a(e), the Bureau of Land Management will enforce the following rules on public land at Holter Lake, Holter Dam, Log Gulch, Departure Point, Devil's Elbow, Clark's Bay and Divide Recreation Sites. You must follow these rules:

**Sec. 1 Fee Requirements**

- a. You must pay the posted day use or camping fee.
- b. You must display your fee payment receipt at your campsite or on your vehicle.

**Sec. 2 Penalties**

On public lands, under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8365.1-6 and U.S.C. 4601-6a(e) any person who violates any of these supplementary rules within the boundaries established in the rules may be tried before a United States Magistrate and fined no more than \$100. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.
