This Notice also lists the following information:

Title of Proposal: Semi-annual Enforcement Report.

OMB Control Number, if applicable: None.

Description of the need for the information and proposed use: Federal agencies administering programs subject to Davis-Bacon wage provisions are required by Department of Labor regulations to submit a report of all new covered contracts/projects and all enforcement activities each six months. In order for HUD to comply with this requirement, it must collect contract and enforcement information from local agencies that administer HUD-assisted programs subject to Davis-Bacon requirements.

Agency form numbers, if applicable: To be assigned.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: An estimation of the total numbers of hours needed to prepare the information collection is 9,000, number of respondents is 4,500,

frequency of response is semi-annually, and the hours per response is 2. Recordkeeping requirements will add an additional 2,250 hours for a total of 11,250 hours per year.

Status of the proposed information collection: Existing collection in use without an OMB control number.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: April 9, 2003.

This Notice also lists the following information:

Title of Proposal: Report of Additional Classification and Wage Rate.

OMB Control Number, if applicable: 2501-0011.

Description of the need for the information and proposed use:

Contractors and subcontractors engaged on HUD-assisted construction projects subject to Davis-Bacon wage requirements must pay no less than the wages determined to be prevailing by the Secretary of Labor to all laborers and mechanics engaged in the construction work. Occasionally, the Davis-Bacon wage determination applicable to the construction work does not contain a prevailing wage rate for all classifications of work needed to complete the work. In such cases, the contractor or subcontractor that will employ the classification(s) missing from the wage determination must propose a wage rate for such classification(s) for the consideration of the Department of Labor (DOL) with respect to that construction work. HUD and local agencies that administer HUD-assisted programs use the form HUD-4230A to record and submit the contractor or subcontractor's additional classification and wage rate request to the DOL. The contractor or subcontractor may itself complete the form HUD-4230A or may submit its request in writing to HUD or the local agency involved; HUD or the local agency will transcribe the request to the form for submission to the DOL. HUD is modifying the form to better identify the applicable Davis-Bacon wage determination and the construction work involved. The modifications will

not affect the amount of time required to complete the information collection.

Agency form numbers, if applicable: HUD-4230A.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: An estimation of the total numbers of hours needed to prepare the information collection is 1,000, number of respondents is 500, frequency of response is on occasion, and the hours per response is 2. Recordkeeping requirements will add an additional hour for a total of 1,500 hours per year.

Status of the proposed information collection: Reinstatement with change of previously approved collection for which approval has expired.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: April 9, 2003.
