Agency Information Collection Activities: Proposed Collection: Comment Request

In compliance with the requirement for opportunity for public comment on

proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Pub. L. 104-13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Faculty Loan Repayment Program (FLRP) Application (OMB No. 0915-0150)-Extension

Under the Health Resources and Services Administration Faculty Loan Repayment Program, disadvantaged graduates from certain health professions may enter into a contract under which HRSA will make payments on eligible educational loans in exchange for a minimum of two years of service as a full-time or part-time faculty member of an accredited health professions school. Applicants must complete an application and provide current loan balances on all eligible educational loans.

The estimate of burden for the form is as follows:

Form	Number of respondents	Responses per respondent	Total Responses	Hours per responses	Total burden hours
Applicants	94	1	94	1	94

Submission for OMB Review, Comment Request; Organochlorine Exposure in Relation to Timing of Natural Menopause: The North Carolina Menopause Study

SUMMARY: Under the provisions of section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institute of Environmental Health

Sciences (NIEHS), the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on October 23, 2002, pages 65132-65133 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB number.

PROPOSED COLLECTION: Title: Organochlorine Exposure in Relation to Timing of Natural menopause (The North Carolina Menopause Study) *Type of Information Collection Request:* New. *Need and Use of Information Collection:* Smoking has been shown in many studies to be associated with a 1-2 year decrease in age at natural menopause. However, relatively little is known about the effect of other potential toxicants, including organochlorines such as polychlorinated biphenyls (PCBs), and 1,1 dichloro-2,2-bis(p-
