(7) PLUS Loans;

(8) Loans that have been paid in full; and

(9) Loans obtained after the execution of the NIH Loan Repayment Program Contract (e.g., promissory note signed after the LRP contract has been awarded).

Before the commencement of loan repayment, or during lapses in loan repayments, due to NIH administrative complications, Leave Without Pay (LWOP), or a break in service, LRP participants are wholly responsible for making payments or other arrangements that maintain loans current, such that increases in either principal or interest do not occur. The LRP contract period will not be modified or extended as a result of Leave Without Pay (LWOP) or a break in service. Penalties assessed participants as a result of NIH administrative complications to maintain a current payment status may not be considered for reimbursement.

LRP payments are NOT retroactive. Loan repayment for Fiscal Year 2003 will commence after a loan repayment contract has been executed, which is expected to be no earlier than June 2003.
