ALLTEL limits its redefinition request to those wire centers that ALLTEL serves in its entirety and notes that where ALLTEL serves only a portion of a wire center, it does not request ETC status for that wire center. ALLTEL maintains that the proposed redefinition of service areas for ETC purposes is consistent with the factors to be considered when redefining a rural telephone company service area, as enumerated by the Federal-State Joint Board on Universal Service. The Wireline Competition Bureau seeks comment on the ALLTEL Petition.

The petitioner must provide copies of its petition to the Georgia Commission. The Commission sent a copy of this Public Notice to the Georgia Commission by overnight express mail to ensure that the Georgia Commission is notified of the notice and comment period.
