#### Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(2) of the Department's regulations, state that if it is not practicable to complete the review within the time specified, the administering authority may extend the 245-day period to issue its preliminary results by 120 days. Completion of the preliminary results of this review within the 245-day period is impracticable for the following reasons:

- The review involves a large number of transactions and complex adjustments;
- All companies include sales and cost investigations which require the Department to gather and analyze a significant amount of information pertaining to each company's sales practices, manufacturing costs and corporate relationships; and
- The review involves examining complex relationships between the producers and their customers and suppliers.

Therefore, in accordance with section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations, we are extending the time period for issuing the preliminary

**FOR FURTHER INFORMATION CONTACT:**

Catherine Bertrand, AD/CVD Enforcement, Group III, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-3207.

**SUPPLEMENTARY INFORMATION:**

#### Background

On July 1, 2002, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on stainless steel sheet and strip in coils from Italy. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 67 FR 44172 (July 1, 2002). On July 29, 2002, Thyssen Krupp Acciai Speciali S.p.A. ("TKAST"), an Italian producer of subject merchandise requested that the Department conduct an administrative

review. On August 27, 2002, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel sheet and strip in coils, for the period July 1, 2001 through June 30, 2002. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 67 FR 55000 (August 27, 2002). The preliminary results of this administrative review are currently due no later than April 2, 2003.

#### Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations, the Department may extend the deadline for completion of the preliminary results of a review if it determines that it is not practicable to complete the preliminary results within the statutory time limit of 245 days from the date on which the review was initiated. Due to the complexity of issues present in this administrative review, such as home market affiliated downstream sales, and complicated cost accounting issues, the Department has determined that it is not practicable to complete this review within the original time period provided in section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations. Therefore, we are extending the due date for the preliminary results by 120 days, until no later than July 31, 2003. The final results continue to be due 120 days after the publication of the preliminary results.

Dated: March 14, 2003.
