

review any supporting documentation, such as a signed statement by a manufacturer of the fabrics stating that it produces the fabrics that are the subject of the request, including the quantities that can be supplied and the time necessary to fill an order, as well as any relevant information regarding past production.

CITA will protect any business confidential information that is marked business confidential from disclosure to the full extent permitted by law. CITA will make available to the public non-confidential versions of the request and non-confidential versions of any public comments received with respect to a request in room 3100 in the Herbert Hoover Building, 14th and Constitution

Avenue, N.W., Washington, DC 20230. Persons submitting comments on a request are encouraged to include a non-confidential version and a non-confidential summary.

James C. Leonard III,
Chairman, Committee for the Implementation of Textile Agreements.

Annex I

Product Specifications:

1. Dyed Corduroy

Fabric:

Fiber Composition: 100 % cotton
Fabric weight: 271 g/m2 (grams per square meter)
Construction: Woven 20 x 45, 16s x 16s
6 - 8 wales per centimeter

2. Dyed Corduroy

Fabric:

Fiber Composition(s): 98% cotton, 2% spandex
97% cotton, 3% spandex
Fabric weight: 271g/m2 (grams per square meter)
Construction: Woven 20 x 45, 16s x 16s plus 70 denier (spandex)
6-8 wales per centimeter

CONSUMER PRODUCT SAFETY COMMISSION

Proposed Collection; Comment Request; Citizens Band Base Station Antennas

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission requests comments on a proposed extension of approval of a collection of information from manufacturers and importers of citizens band base station antennas. The collection of information is in regulations implementing the Safety Standard for Omnidirectional Citizens Band Base Station Antennas (16 CFR part 1204). These regulations establish testing and recordkeeping requirements for manufacturers and importers of antennas subject to the standard. The Commission will consider all comments received in response to this notice before requesting an extension of approval of this collection of information from the Office of Management and Budget (OMB).

DATES: The Office of the Secretary must receive comments not later than May 23, 2003.

ADDRESSES: Written comments should be captioned "Citizens Band Base Station Antennas" and mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, or delivered to that office, Room 502, 4330 East-West Highway, Bethesda, Maryland 20814. Written comments may also be sent to the Office of the Secretary by facsimile at (301) 504-0127 or by e-mail at cpssc-oss@cpssc.gov.

FOR FURTHER INFORMATION CONTACT: For information about the proposed extension of approval of the collection of information, or to obtain a copy of 16 CFR Part 1204, call or write Linda L. Glatz, Office of Planning and Evaluation, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-7671.

SUPPLEMENTARY INFORMATION:

A. Background

In 1982, the Commission issued the Safety Standard for Omnidirectional Citizens Band Antennas (16 CFR part 1204) to reduce risks of death and serious injury that may result if an omnidirectional antenna contacts an overhead power line while being erected or removed from its site. The standard contains performance tests to demonstrate that an antenna will not transmit a harmful electric current if it contacts an electric power line with a voltage of 14,500 volts phase-to-ground. Certification regulations implementing the standard require manufacturers,

importers, and private labelers of antennas subject to the standard to perform tests to demonstrate that those products meet the requirements of the standard, and to maintain records of those tests. The certification regulations are codified at 16 CFR Part 1204, Subpart B.

The Commission uses the information compiled and maintained by manufacturers, importers, and private labelers of antennas subject to the standard to help protect the public from risks of injury or death associated with omnidirectional citizens band base station antennas. More specifically, this information helps the Commission determine that antennas subject to the standard comply with all applicable requirements. The Commission also uses this information to obtain corrective actions if omnidirectional citizens band base station antennas fail to comply with the standard in a manner which creates a substantial risk of injury to the public. The Office of Management and Budget approved the collection of information in the certification regulations under control number 3041-0006. OMB's most recent extension of approval expires on May 31, 2003. The Commission now proposes to request an extension of approval without change for the collection of information in the certification regulations.

B. Estimated Burden

The Commission staff estimates that about 5 firms manufacture or import citizens band base station antennas subject to the standard. The Commission staff estimates that the certification regulations will impose an average annual burden of about 220 hours on each of those firms. That burden will result from conducting the testing required by the regulations and maintaining records of the results of that testing. The total annual burden imposed by the regulations on manufacturers and importers of citizens band base station antennas is approximately 1,100 hours.

The hourly wage for the testing and recordkeeping required to conduct the testing and maintain records required by the regulations is about \$42.32, for an estimated annual cost to the industry of \$46,552.

C. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Dated: March 19, 2003.

Todd A. Stevenson,

Secretary, Consumer Product Safety Commission.

BILLING CODE 6355-01-P

DEPARTMENT OF EDUCATION**Submission for OMB Review; Comment Request**

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer invites comments on the submission for OMB

review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 23, 2003.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Lauren Wittenberg, Acting Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10235, New Executive Office Building, Washington, DC 20503 or should be electronically mailed to the internet address Lauren_Wittenberg@omb.eop.gov.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment.

Dated: March 18, 2003.

John Tressler,

Leader, Regulatory Information Management, Office of the Chief Information Officer.

Office of Elementary and Secondary Education

Type of Review: Extension of a currently approved collection.

Title: State educational agency local educational agency, and school data collection and reporting under ESEA, title I, part A.

Frequency: Annually.

Affected Public: State, local, or tribal gov't, SEAs or LEAs (primary), Federal government (primary).

Reporting and Recordkeeping Hour Burden:

Responses: 33759.

Burden Hours: 2586428.

Abstract: Title I, part A of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act, requires State educational agencies, local educational agencies, and schools to collect and disseminate information to document progress, inform parents and the public, and provide services to at-risk students and their teachers.

Requests for copies of the submission for OMB review; comment request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 2142. When you access the information collection, click on "Download Attachments" to view. Written requests for information should be addressed to Vivian Reese, Department of Education, 400 Maryland Avenue, SW., Room 4050, Regional Office Building 3, Washington, DC 20202-4651 or to the e-mail address vivan.reese@ed.gov. Requests may also be electronically mailed to the internet address OCIO_RIMG@ed.gov or faxed to 202-708-9346. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be directed to Kathy Axt at her e-mail address kathy.axt@ed.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Federal Student Aid

Type of Review: New collection.

Title: Federal Perkins Loan Program Master Promissory Note (JS).

Frequency: On occasion, annually.

Affected Public: Individuals or household (primary), businesses or other for-profit, not-for-profit institutions.

Reporting and Recordkeeping Hour Burden:

Responses: 690,000.

Burden Hours: 345,000.

Abstract: The promissory note is the means by which a Federal Perkins Loan borrower promises to repay his or her loan.
