Whitman*, No. 01-01537 (consolidated with cases 01548, 01558, 01569, 01582, and 01597) (D.D.C.).

DATES: Written comments on the proposed consent decree must be received by April 28, 2003.

ADDRESSES: Written comments should be sent to Apple Chapman, Air and Radiation Law Office (2344A), Office of General Counsel, U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460. SUPPLEMENTARY INFORMATION: This lawsuit concerns EPA's alleged failure to meet certain deadlines in the Clean Air Act ("CAA"). The proposed partial consent decree would fully settle four of the above-listed consolidated cases and partially settle two others.

Specifically, the consent decree provides that EPA shall: (1) Promulgate emission standards under CAA section 112(d), 42 U.S.C. 7412(d), for any twelve (12) of the remaining listed categories subject to CAA section 112(e)(1)(E), 42 U.S.C. 7412(e)(1)(E), on or before August 29, 2003 and for the remaining four (4) categories on or before February 27, 2004; (2) promulgate emission standards under CAA section 112(d), 42 U.S.C. 7412(d), for hazardous waste burning industrial boilers on or before June 15, 2005; (3) pursuant to CAA section 129(a)(5), 42 U.S.C. 7429(a)(5), promulgate revisions of the new source performance standards and emission guidelines for large municipal waste combustion units by April 28, 2006; (4) promulgate specified regulations under CAA section 112(d), 42 U.S.C. 7412(d), pursuant to CAA sections 112(c)(3), 112(k), and 112(c)(6), 42 U.S.C. 7412(c)(3), (k) and (c)(6) for certain categories of area sources by specified deadlines; (5) promulgate emission standards for "other categories of solid waste incineration units" under CAA section 129(a)(1)(E), 42 U.S.C. 7419(a)(1)(E), by November 30, 2005. Lastly, the consent decree provides that the parties stipulate to a dismissal of the claims in Case No. 01-1582 which alleged EPA's failure to submit the Report to Congress

under CAA section 112(s), 42 U.S.C. 7412(s).

For a period of thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the proposed consent decree from persons who are not named as parties or intervenors to the litigation in question. The EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Clean Air Act. Unless EPA or the Department of Justice determines, following the comment period, that consent is inappropriate, the consent decree will be final.

ACTION: Notice; correction.

SUMMARY: EPA Region 6 published in the **Federal Register** of March 19, 2003, a notice soliciting Initial Proposals funded from the Regional Water Quality Cooperative Agreement allocation. Inadvertently, the minus was deleted from the points listed under applicant's past performance of the evaluation criteria. Applicant's past performance should be listed as a minus 3 points (-3).

SUPPLEMENTARY INFORMATION: EPA Region 6 published a notice in the **Federal Register** of March 19, 2003, (53 FR 13303) soliciting Initial Proposals for projects to be funded from the Regional Water Quality Cooperative Agreement Allocation. Inadvertently, the minus was deleted from the points listed under applicant's past performance of the

evaluation criteria. The evaluation criteria states that points will be taken away for poor past performance if knowledge of applicant's past performance is available to EPA. Therefore, applicant's past performance should be listed as a minus 3 points (-3). This correction adds the minus to indicate points will be taken away. In notice FR Doc. 03-6576 published on March 19, 2003, (53 FR 13303) make the following correction. On page 13305, in the third column, add a minus to (3 points) to read (-3 points) under applicant's past performance of the EPA IP Evaluation Criteria.
