#### Viking Gas Transmission Company; Notice of Tariff Filing

October 2, 2003.

Take notice that on September 25, 2003, Viking Gas Transmission Company (Viking) tendered for filing to become part of Viking's FERC Gas Tariff, First Revised Volume No. 1, Third Revised Sheet No. 34, to become effective November 1, 2003.

Viking states that the purpose of this filing is to add language to Rate Schedule LMS which would automatically cause a monthly

imbalance of less than 1000 Dekatherms to be cashed out at the 0-5 "no penalty" percentage level regardless of the actual monthly imbalance percentage. Viking states that it does not desire to penalize parties whose monthly imbalances are less than 1000 Dekatherms because such imbalance is insignificant in nature and not a source of major harm to its pipeline system.

Viking states that copies of this filing have been sent to all of Viking's contracted shippers and interested state regulatory commissions.
