Announcement of Intent To Initiate the Process To Consider Marine Reserves in the Channel Islands National Marine Sanctuary; Intent To Prepare a Draft Environmental Impact Statement

AGENCY: Marine Sanctuaries Division (MSD), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice.

SUMMARY: In accordance with the National Marine Sanctuaries Act, as amended, (NMSA) (16 U.S.C. 1431 et seq.), NOAA's National Marine Sanctuary Program (NMSP) is considering the establishment of a network of marine reserves within the Channel Islands National Marine Sanctuary (CINMS or Sanctuary) to maintain the natural biological communities, and to protect, and, where appropriate, restore and enhance natural habitats, populations, and ecological processes.

Marine reserves are one of a variety of resource management tools used to manage and protect marine resources. This action is being considered to complement the State of California's recent establishment of a network of marine reserves and protected areas within the State waters of the CINMS.

The NMSP will prepare an environmental impact statement which will examine a range of management and regulatory alternatives associated with consideration of marine reserves within the Sanctuary. The NMSP will conduct three public scoping meetings during the scoping period to gather information and other comments from individuals, organizations, and government agencies on the scope, types and significance of issues related to consideration of marine reserves in the Sanctuary. The dates and locations of the public scoping meetings are listed below.

DATES: Written comments must be received on or before July 23, 2003.

ADDRESSES: Written comments may be sent to the Channel Islands National Marine Sanctuary, attn. Sean Hastings, 113 Harbor Way, Suite 150, Santa Barbara, California 93109, by fax to (805) 568-1582, or by electronic mail to reservesprocess@noaa.gov. Comments will be available for public review at the same address.
