Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Advance Monthly Retail Trade and Food Services Survey.

Form Number(s): SM-44(00)A, SM-44(00)AS, AM-44(00)AE, and SM-72(00)A.

Agency Approval Number: 0607-0104.

Type of Request: Extension of a currently approved collection.

Burden: 4,500 hours.

Number of Respondents: 4,500.

Avg Hours Per Response: 5 minutes.

Needs and Uses: The Advance Monthly Retail Sales and Food Services Survey (MARTS) was developed in response to requests by government, business, and other users to provide an early indication of current retail trade activity at the United States level. Policymakers such as the Federal Reserve board need to have the most timely estimates in order to anticipate economic trends and act accordingly. The U. S. Census Bureau tabulates the collected data to provide, with measured reliability, statistics on United States retail sales. MARTS also provides monthly sales estimates of food service establishments and drinking places. These sales estimates are used by the Council of Economic Advisers, Bureau of Economic Analysis (BEA), Federal Reserve Board, and other government agencies as well as business users in formulating economic decisions. Sales estimates from this survey provide the earliest possible look at consumer spending and are necessary for the calculation of the personal consumption portion of the Gross Domestic Product (GDP). These estimates have a high priority because of their timeliness. Without the Advance Monthly Retail Sales and Food Services Survey, the Census Bureau's earliest measure of retail sales is the "preliminary" estimate

from the full monthly sample released about 40 days after the reference period.

Affected Public: Business or other for-profit.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax (202-395-7245) or e-mail (susan_schechter@omb.eop.gov).

Dated: September 30, 2003.

The International Trade Administration, Service Industries, Tourism & Finance, Office of Travel & Tourism Industries, offers trade fair guidance and assistance to trade fair organizers, trade fair operators, and other travel and trade oriented groups. These fairs open doors to promising trade markets around the world. These trade fairs provide an opportunity for showcasing quality exhibitors and products from around the world. To apply for the U.S. Department of Commerce certification, the fair organizer must have all of the components of the application in order. Then, with the approval, the organizer is able to bring their products into the U.S. in accordance with Customs laws. Articles which may be brought in, include, but are not limited to, actual exhibit items, pamphlets, brochures, and explanatory material in reasonable quantities relating to the foreign exhibits at a trade fair, and material for use in constructing, installing, or maintaining foreign exhibits at a trade fair.

Carbon and Certain Alloy Steel Wire Rod From Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine: Preliminary Results of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Preliminary Results of Changed Circumstances Review of the Antidumping Duty and Countervailing Duty Orders, and Intent To Revoke Orders, in Part.

EFFECTIVE DATE: October 6, 2003.

SUMMARY: On August 21, 2003, the Department of Commerce (the Department) published a notice of initiation of a changed circumstances review with the intent to revoke, in part, the antidumping duty orders and countervailing duty orders on carbon and certain alloy steel wire rod, as described below. See *Carbon and Certain Alloy Steel Wire Rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine: Initiation of Changed Circumstances Antidumping Duty Administrative Review and Countervailing Duty Administrative Reviews, and Intent To Revoke Orders*

in Part, 68 Fed. Reg. 50,513 (August 21, 2003) (*Initiation Notice*).

In our *Initiation Notice* we invited interested parties to comment. We did not receive comment concerning the technical description of the merchandise subject to this changed circumstances review. However, on August 22, 2003, petitioners¹ filed a letter stating the *Initiation Notice* contains an error in language with respect to the effective date of liquidation of entries because the *Initiation Notice* does not match the intent of petitioners' July 24, 2003 request for changed circumstances review. The Department has amended the effective date accordingly. Absent any other comments, we preliminarily conclude that producers accounting for substantially all of the production of the domestic like product to which these orders pertain lack interest in the relief provided by the order. Unless the Department receives opposition from domestic producers who's production totals more than 15 percent of the domestic like product, the Department will partially revoke the orders on carbon and certain alloy steel wire rod in its final results of this review. Therefore, we preliminarily revoke these orders, in part, with respect to products entered, or withdrawn from warehouse, for consumption on or after July 24, 2003 of carbon and certain alloy steel wire rod described below, because domestic parties have expressed no interest in the continuation of the orders on that merchandise.

SUPPLEMENTARY INFORMATION:

Background

The Department published the antidumping duty orders on steel wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine on October 29, 2002. See *Notice of Antidumping Duty Orders: Carbon and Certain Alloy Steel Wire Rod From Brazil, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine*, 67 Fed. Reg. 65,945, and *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Carbon and*

¹ Petitioners are Georgetown Steel Co. (Formerly, GS Industries), North Star Steel Texas, Gerdau Ameristeel (formerly, Co-Steel Raritan), and Keystone Consolidated Industries.

Alloy Steel Wire Rod From Canada, 67 Fed. Reg. 65,944. The Department published the countervailing duty orders on steel wire rod from Brazil and Canada on October 22, 2002. See *Notice of Countervailing Duty Orders: Carbon and Certain Alloy Steel Wire Rod From Brazil and Canada*, 67 Fed. Reg. 64,871. On July 24, 2003, petitioners requested that the Department change the technical description of certain grade 1080 tire cord quality wire rod and grade 1080 tire bead quality wire rod (hereafter, tire cord wire rod). This request arises, petitioners aver, because the original definition of the excluded tire cord wire rod was drawn too narrowly and, thus, captures within the scope certain products petitioners no longer wish to have subject to the orders.

On August 21, 2003, the Department published a notice of initiation of a changed circumstances review of the antidumping duty and countervailing duty orders on carbon and certain alloy steel wire rod products. See *Initiation Notice*. In the *Initiation Notice*, we indicated interested parties could submit comments for consideration in the Department's preliminary results not later than 14 days after publication of the initiation of the review, and submit responses to those comments no later than 5 days following the submission of comments. On August 22, 2003, petitioners filed comments that stated the *Initiation Notice* contains an error in language with respect to the effective date of liquidation of entries because the *Initiation Notice* does not match the intent of petitioners.

The *Initiation Notice* stated:

If, as a result of this review, we revoke the order, in part, we intend to instruct the Bureau of Customs and Border Protection (Customs) to liquidate without regard to antidumping duties, as applicable, and to refund any estimated antidumping duties collected for all unliquidated entries of the tire cord wire rod products meeting the specifications indicated above, as of July 24, 2003, the date this changed circumstances review request was filed by Petitioners, in accordance with 19 CFR 351.222(g)(4).

Initiation Notice, 68 Fed. Reg. 50,513, at 50,515. Petitioners claim this language could be read to mean that all unliquidated entries existing as of July 24, 2003 will be subject to the terms of the changed scope. The phrase "as of July 24, 2003" could also be read to mean that entries made prior to July 24, 2003 that were subject to the original scope would now be excluded by the new scope exclusion language. Petitioners state such a result is contrary
