SUPPLEMENTARY INFORMATION:

[**Note:** In March 2003, the agricultural import and entry inspection activities that had been performed by employees of the Animal and Plant Health Inspection Service (APHIS) were transferred to the Department of Homeland Security (DHS). The regulations cited in this notice have not yet been updated to reflect this change, so in the interests of consistency with those regulations, this notice continues to refer to "APHIS employees" and services provided or work performed by APHIS employees. Readers should be aware, however, that DHS personnel are currently performing certain of the agricultural import and entry inspection activities discussed in this notice for which overtime charges or user fees are applicable.]

Reimbursable Overtime Charges

The regulations in 7 CFR chapter III and 9 CFR chapter I, subchapters D and G, require inspection, laboratory testing, certification, or quarantine of certain animals, poultry, animal byproducts, germ plasm, organisms, vectors, plants, plant products, or other regulated commodities or articles intended for importation into, or exportation from, the United States. With some exceptions, when these services must be provided by an APHIS employee on a Sunday or on a holiday, or at any other time outside the APHIS employee's regular duty hours, the Government charges an hourly overtime fee for the services in accordance with 7 CFR part 354 and 9 CFR part 97.

In a final rule published in the **Federal Register** on July 25, 2002 (67 FR 48519-48525, Docket No. 00-087-2), and effective August 11, 2002, we established, for fiscal years 2002 through 2006 and beyond, reimbursable overtime rates for Sunday, holiday, or other overtime work performed by APHIS employees for any person, firm, or corporation having ownership, custody, or control of animals, poultry, animal byproducts, germ plasm, organisms, vectors, plants, plant products, or other regulated

commodities or articles subject to inspection, laboratory testing, certification, or quarantine. In this document we are providing notice to the public of the reimbursable overtime fees for fiscal year 2004 (October 1, 2003, through September 30, 2004).

Under the regulations in 7 CFR 354.1(a) and 9 CFR 97.1(a), any person, firm, or corporation having ownership, custody, or control of plants, plant products, animals, animal byproducts, or other commodities or articles subject to inspection, laboratory testing, certification, or quarantine who requires the services of an APHIS employee on a Sunday or holiday, or at any other time outside the regular tour of duty of that employee, shall sufficiently in advance of the period of Sunday, holiday, or overtime service request the APHIS inspector in charge to furnish the service during the overtime or Sunday or holiday period, and shall, for fiscal year 2004, pay the Government at the rate listed in the following table:

OVERTIME FOR INSPECTION, LABORATORY TESTING, CERTIFICATION, OR QUARANTINE OF PLANTS, PLANT PRODUCTS, ANIMALS, ANIMAL PRODUCTS OR OTHER REGULATED COMMODITIES

Outside the employee's normal tour of duty	Overtime rates (per hour) Oct. 1, 2003-Sept. 30, 2004
Monday through Saturday and holidays	\$48.00
Sundays	63.00

As specified in 7 CFR 354.1(a)(1)(iii) and 9 CFR 97.1(a)(3), the overtime rates to be charged in fiscal year 2004 to owners or operators of aircraft at airports of entry or other places of inspection as a consequence of the operation of the aircraft, for work performed outside of the regularly established hours of service will be as follows:

OVERTIME FOR COMMERCIAL AIRLINE INSPECTION SERVICES ¹

Outside the employee's normal tour of duty	Overtime rates (per hour) Oct. 1, 2003-Sept. 30, 2004
Monday through Saturday and holidays	\$39.00
Sundays	51.00

¹These charges exclude administrative overhead costs.

A minimum charge of 2 hours shall be made for any Sunday or holiday or unscheduled overtime duty performed

by an employee on a day when no work was scheduled for him or her, or which is performed by an employee on his or her regular workday beginning either at least 1 hour before his or her scheduled tour of duty or which is not in direct continuation of the employee's regular tour of duty. In addition, each such period of Sunday or holiday or unscheduled overtime work to which the 2-hour minimum charge provision applies may include a commuted traveltime period (see 7 CFR 354.1(a)(2) and 9 CFR 97.1(b)).

User Fees for Import- and Export-Related Veterinary Services

APHIS charges user fees for import- and export-related veterinary services. The regulations in 9 CFR part 130 list user fees for import- and export-related services provided by APHIS for animals, animal products, birds, germ plasm, organisms, and vectors.

These user fees are authorized by § 2509(c)(1) of the Food, Agriculture, Conservation, and Trade Act of 1990, as amended (21 U.S.C. 136a). APHIS is authorized to establish and collect fees that will cover the cost of providing import- and export-related services for animals, animal products, birds, germ plasm, organisms, and vectors.

On August 28, 2000, we published in the **Federal Register** (65 FR 51997-52010, Docket No. 97-058-2) a final rule that amended the regulations in 9 CFR part 130 by adjusting our user fees for import- and export-related services that we provide for animals, animal products, birds, germ plasm, organisms, and vectors and by setting user fees for these services for fiscal years 2001 through 2004 and beyond. (In that final rule, we did not specify an end date for user fees that become effective on October 1, 2003 [the beginning of fiscal year 2004] because we will continue to charge the fiscal year 2004 user fees until new user fees are in effect.) Additionally, on August 1, 2001, we published in the **Federal Register** (66 FR 39628-39632, Docket No. 99-060-2) another final rule that amended the regulations by updating some of the user fees in 9 CFR part 130. When we proposed to establish the user fees for fiscal years 2001 through 2004 and beyond, we stated that, prior to the beginning of each fiscal year, we would publish a notice to remind the public of the user fees for that fiscal year. This document provides notice to the public of the user fees for fiscal year 2004 (October 1, 2003, through September 30, 2004) and beyond. The specific services and user fees are described below.

We provide standard and nonstandard housing, care, feed, and handling for

individual animals and certain birds ¹ quarantined in APHIS-owned or -operated animal quarantine facilities, including APHIS Animal Import Centers. As specified in § 130.2(a), the daily user fee for each animal or bird quarantined in APHIS-owned or -operated animal quarantine facilities receiving standard housing, care, feed, and handling for fiscal year 2004 and beyond will be as follows:

Certain conditions or traits, such as aggression, may necessitate special requirements for certain birds or poultry. Birds and poultry receiving nonstandard housing, care, feed, or handling to meet special requirements may receive those services while quarantined in an APHIS-owned or -operated quarantine facility at the request of an importer or as required by an APHIS representative. As specified in § 130.2(b), the daily user fee for each bird or poultry receiving nonstandard housing, care, or handling while quarantined in an APHIS-owned or -operated animal quarantine facility for fiscal year 2004 and beyond is \$5.75 for birds weighing 250 grams or less, and doves, pigeons, and quail; \$13 for birds weighing 251 to 1,000 grams and

As specified in § 130.2(c), importers of animals or birds that require a diet other than standard feed must either provide feed or pay APHIS for feed on an actual cost basis, including the cost of delivery to the APHIS-owned or -operated animal import center or quarantine facility.

We accept requests from importers to exclusively occupy a space at an APHIS animal import center. As specified in § 130.3(a)(1), the monthly user fee for exclusive use of space at the APHIS animal import center in Newburgh, NY,

for fiscal year 2004 and beyond is \$59,254 to occupy a space 5,396 square feet in size, \$97,764 for a space 8,903 square feet in size, and \$9,938 for a space 905 square feet in size.
