Comment Requested

This amended notice of intent initiates the scoping process which guides the development of the draft environmental impact statement, including the identification of the range of alternatives to be considered. While public participation is strictly optional at this stage, the Forest Service believes that it is important to give reviewers notice of several court rulings related to public participation in the subsequent environmental review process. First, reviewers of draft statements must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage but that are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980).

Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45 day draft environmental impact statement comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement. To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the

draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments also may address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. In addressing these points, reviewers may wish to refer to the Council on Environmental Quality regulations which implement the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3.

DEPARTMENT OF COMMERCE

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Advance Monthly Retail Trade and Food Services Survey.

Form Number(s): SM-44(00)A, SM-44(00)AS, AM-44(00)AE, and SM-72(00)A.

Agency Approval Number: 0607-0104.

Type of Request: Extension of a currently approved collection.

Burden: 4,500 hours.

Number of Respondents: 4,500.

Avg Hours Per Response: 5 minutes.

Needs and Uses: The Advance Monthly Retail Sales and Food Services Survey (MARTS) was developed in response to requests by government, business, and other users to provide an early indication of current retail trade activity at the United States level. Policymakers such as the Federal Reserve board need to have the most timely estimates in order to anticipate economic trends and act accordingly. The U. S. Census Bureau tabulates the collected data to provide, with measured reliability, statistics on United States retail sales. MARTS also provides monthly sales estimates of food service establishments and drinking places. These sales estimates are used by the Council of Economic Advisers, Bureau of Economic Analysis (BEA), Federal Reserve Board, and other government agencies as well as business users in formulating economic decisions. Sales estimates from this survey provide the earliest possible look at consumer spending and are necessary for the calculation of the personal consumption portion of the Gross Domestic Product (GDP). These estimates have a high priority because of their timeliness. Without the Advance Monthly Retail Sales and Food Services Survey, the Census Bureau's earliest measure of retail sales is the "preliminary" estimate

from the full monthly sample released about 40 days after the reference period.

Affected Public: Business or other for-profit.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax (202-395-7245) or e-mail (susan_schechter@omb.eop.gov).
