#### Gaming on Trust Lands Acquired After October 17, 1988

*Type of review:* Extension of a currently-approved collection.

*Title:* Gaming on Trust Lands Acquired After October 17, 1988, 25 CFR 292.

*OMB Control No.* 1076-0158.

*Summary:* The collection of information will ensure that the provisions of IGRA, Federal law and the trust obligations of the United States are met when federally recognized tribes submit an application seeking a Secretarial determination that a gaming establishment on land acquired in trust after October 17, 1988, and not exempt under one of the other statutory exemptions to the prohibition on gaming contained in Section 20 of the Indian Gaming Regulatory Act (IGRA), would be in the best interest of the Indian tribe and its members, and would not be detrimental to the surrounding community. Collection of this information is currently authorized under an approval by OMB (OMB Control Number 1076-0158). All information is collected when the tribe makes a request for a Secretarial determination that a gaming establishment on land acquired in trust after October 17, 1988, would be in the best interest of the Indian tribe and its members, and would not be detrimental to the surrounding community. Annually, we expect about 2 tribes to apply, seeking a Secretarial determination that a gaming establishment on land acquired in trust after October 17, 1988, would be in the best interest of the Indian tribe and its members, and would not be detrimental to the surrounding community. The estimated time to review instructions and complete each application is 2000 hours. Thus, the total annual reporting and record keeping burden for this collection is estimated to be 4,000 hours.

*Frequency of Collection:* A one time collection.

*Description of Respondents:* Federally recognized tribes.

*Total Annual Responses:* 2.

*Response Burden Hours per*

*Application:* 2000.

*Total Annual Burden Hours:* 4,000 hours.
