DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Environmental Impact Statement: State Route 71, South Knoxville Boulevard, From Governor John Sevier Highway (State Route 168) to Moody Avenue, Knox County, TN

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of intent.

SUMMARY: The Federal Highway Administration (FHWA) is issuing this notice to advise the public that an Environmental Impact Statement (EIS) will be prepared for a proposed highway project in Knox County, Tennessee.

FOR FURTHER INFORMATION CONTACT: Ms. Karen M. Brunelle, Planning and Program Management Team Leader, Federal Highway Administration—Tennessee Division Office, 640 Grassmere Park Road, Suite 112, Nashville, TN 37211. 615-781-5772.

SUPPLEMENTARY INFORMATION: A Final EIS (FEIS) was approved for the South Knoxville Boulevard project on June 24, 1977. That FEIS covered a project that started at Chapman Highway (U.S. 441/SR-71) near Longvale Drive and extended northward to State Route 158 (the Central Business District (CBD) Loop) in Knoxville. The segment of that project from the CBD Loop southward to Moody Avenue has been constructed as a four-lane, median divided freeway section, and opened to traffic.

Construction plans were prepared for the approved alignment from Moody Avenue southward to Old Sevierville Pike, but this part of the project has not been constructed. The segment of the approved South Knoxville Boulevard alignment between Old Sevierville Pike and Chapman Highway was subsequently determined to have engineering constraints due to several sinkholes along the route.

An Environmental Assessment (EA) was prepared to address an alternate alignment between Old Sevierville Pike and Chapman Highway. The EA was approved by the FHWA on April 25, 2001. A Corridor and Design Public Hearing was conducted on July 31, 2001. A final environmental decision document was not issued. In the spring of 2003, the Tennessee Department of Transportation (TDOT) commissioned the University of Tennessee Center for Transportation to review fifteen proposed TDOT projects across the state. The James White Parkway (also known as South Knoxville Boulevard) Extension was included in those projects. Based on the results of this
