

C. Have filed an EEOC Equal Employment Opportunity survey, if it is required to do so based upon the appropriate survey filing requirements. Filing requirements for each type of survey are available on EEOC's Web site at <http://www.eeoc.gov/employers/surveys.html>.

D. Use the Nomination Form designed by the EEOC for submitting applications for the FTC Award. The Form will be available each year on EEOC's Internet Web site or by contacting the agency for a copy when the nomination period opens.

Requirements for Submitting Nominations

The nominee for the Freedom to Compete Award must complete and submit the Nomination Form provided by the EEOC each year. The form collects information to evaluate (1) The eligibility criteria described above, and (2) the merits of the procedure or practice nominated for the Award. The nominee must provide the following types of information:

A. Information about the organization using the procedure/practice nominated, including its mission, size, number of employees, and products/services.

B. Contact information.

C. Activities the organization proposes to undertake in collaboration with the EEOC to promote the procedure/practice with other organizations that seek to replicate it, and to promote the Award and the principles of a free and fair competition in the workplace, if the organization receives an Award.

D. Pending charges, complaints or legal or enforcement actions involving violations of Federal, state or local employment discrimination law, or any corrective actions, consent decrees or other settlement agreements currently in effect that have resulted from litigation or other enforcement actions under these same employment discrimination laws.

E. A short essay that describes the procedure/practice nominated for the FTC Award and the results achieved from using the procedure/practice. The essay is a critical component of the application. It must describe a specific procedure/practice; not multiple procedures/practices (multiple nominations from the same organization are acceptable). In addition, specific results obtained by using the procedure/practice nominated must be included. The essay should include the following elements:

(1) The original purpose for implementing the procedure/practice nominated;

(2) A detailed description of the procedure/practice nominated;

(3) The major obstacles encountered during the implementation of the procedure/practice and how they were overcome;

(4) The length of time the practice has been in effect;

(5) How the organization or operation of the procedure/practice is managed/supervised;

(6) The specific, tangible results that have been achieved over time (the practice/procedure must have been in place for at least one year to obtain tangible results);

(7) The methodology for collecting and analyzing the results to determine the effectiveness of the procedure/practice;

(8) Who is held accountable for achieving the results;

(9) The level of executive involvement in, and commitment to, the procedure/practice during its development and during its implementation; and,

(10) What are the key factors that makes the procedure/practice effective.

Application Period and Submission of Nominations

Each year the EEOC announces the inclusive dates for submitting applications for the FTC Award, the date and location of the Awards ceremony, specific details about the information to submit, the Nomination Form required, and the methods for submitting an application. The announcement and all relevant application materials are available on EEOC's Internet Web site at <http://www.eeoc.gov/>. Requests for application materials in hard copy or other formats are available by contacting Jay Friedman (see contact information, above). However, the EEOC prefers that organizations obtain the application materials on EEOC's Web site or submit all application materials by e-mail at Freedom.Award@eeoc.gov.

EEOC Statutory Responsibilities: Receipt of the Freedom to Compete Award does not constitute or be considered a waiver by the EEOC of its statutory responsibilities with respect to any future charges, investigations, or litigation against a nominee or the recipient of an award.

Burden Statement: The estimated number of respondents included in the annual process is estimated at 50–100 applicants. Submitting a voluntary application for an award and subsequent requests for information to clarify or supplement application

materials is estimated at 500–1,000 Respondent burden hours (10 hours for each Respondent). Because the program has already been established, there are no substantive one time implementation costs.

Paperwork Reduction Act Notice: Pursuant to the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, and OMB regulations 5 CFR 1320.8(d)(1), the Commission solicits public comment to enable it to:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility;

2. Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Dated: August 21, 2007.

For the Commission.

Naomi C. Earp,

Chair.
