SUPPLEMENTARY INFORMATION:

Background

On April 27, 2007, the Department of Commerce (the Department) published in the **Federal Register** the notice of initiation of the administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes from Thailand. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 20986 (April 27, 2007). The period of review is March 1, 2006 through February 28, 2007.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and section 351.213(h)(1) of the Department's regulations require the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and final results of the review within 120 days after the date on which the notice of the preliminary results is published in the **Federal Register**.
