Federal Railroad Administration

Notice of Application for Approval of Discontinuance or Modification of a Railroad Signal System or Relief From the Requirements of Title 49 Code of Federal Regulations Part 236

Pursuant to Title 49 Code of Federal Regulations (CFR) Part 235 and 49 U.S.C. 20502(a), the following railroad has petitioned the Federal Railroad Administration (FRA) seeking approval for the discontinuance or modification of the signal system or relief from the requirements of 49 CFR part 236 as detailed below.

[Docket Number FRA–2007–28294]

Applicant: CSX Transportation, Incorporated, Mr. C.M. King, Chief Engineer, Communications and Signals, 500 Water Street, SC J–350, Jacksonville, Florida 32202.

CSX Transportation, Incorporated (CSXT) seeks approval of the proposed modification of the signal system on the single main track at CP Belt Junction, Milepost BD–26.9, near Hamilton, Ohio, on the Louisville Division, Cincinnati Terminal Subdivision. The proposed changes consist of the conversion of the power-operated switch to hand operation, the removal of the associated controlled signals, and the exchange of the method of operation from a traffic control system to Direct Traffic Control (DTC) authority under the direction of the Jacksonville dispatcher supplemented by signal indications of an automatic block signal (ABS) system.

The reason given for the proposed changes is that present day operation does not warrant retention of the power-operated switch and signals at Belt Junction.

Any interested party desiring to protest the granting of an application shall set forth specifically the grounds upon which the protest is made, and include a concise statement of the interest of the party in the proceeding. Additionally, one copy of the protest

shall be furnished to the applicant at the address listed above.

FRA expects to be able to determine these matters without an oral hearing. However, if a specific request for an oral hearing is accompanied by a showing that the party is unable to adequately present his or her position by written statements, an application may be set for public hearing.
