SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension: Rule 6a-3, SEC File No. 270-0015, OMB Control No. 3235-0021

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of

Management and Budget for extension and approval.

Section 6 of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) sets out a framework for the registration and regulation of national securities exchanges. Under Commission Rule 6a-3 (17 CFR 240.6a-3), one of the rules that implements Section 6, a national securities exchange (or an exchange exempted from registration as a national securities exchange based on limited trading volume) must provide certain supplemental information to the Commission, including any material (including notices, circulars, bulletins, lists, and periodicals) issued or made generally available to members of, or participants or subscribers to, the exchange. Rule 6a-3 also requires the exchanges to file monthly reports that set forth the volume and aggregate dollar amount of securities sold on the exchange each month.

The information required to be filed with the Commission pursuant to Rule 6a-3 is designed to enable the Commission to carry out its statutorily mandated oversight functions and to ensure that registered and exempt exchanges continue to be in compliance with the Act.

The respondents to the collection of information are national securities exchanges and exchanges that are exempt from registration based on limited trading volume.

The Commission estimates that each respondent makes approximately 25 such filings on an annual basis at an average cost of approximately \$21 per response. Currently, 12 respondents (ten national securities exchanges and two exempt exchanges) are subject to the collection of information requirements of Rule 6a-3. The Commission estimates that the total burden for all respondents is 150 hours (25 filings/respondent per year \times 0.5 hours/filing \times 12 respondents) and \$6300 (\$21/response \times 25 responses/respondent per year \times 12 respondents) per year.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to

comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to: R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted within 60 days of this notice.

Dated: April 5, 2007.

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55583; File No. SR-Amex-2006-107]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto Relating to Amex Book Clerks

April 5, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 14, 2006, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Exchange filed Amendment No. 1 to the proposal on March 29, 2007. The Commission is publishing this notice to solicit comment on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to eliminate the agency obligations of Exchange options specialists and establish Amex book clerks ("ABCs"). The text of the proposed rule change is available at Amex, the Commission's Public Reference Room, and <http://www.amex.com>.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to eliminate the obligation and ability of an Exchange options specialist to act as an agent in connection with orders in his or her assigned options classes. This proposal would also permit the Exchange to designate Exchange employees or independent contractors to serve as ABCs, responsible for maintaining and operating the ANTE Central Book (*i.e.*, the specialist's customer limit order book) and the ANTE Display Book.³ The Exchange also seeks to amend certain Exchange rules relating to the operation of the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage ("Linkage Plan") to accommodate the implementation of pertinent ABC rules and other proposed rule changes described herein.⁴ Finally, this proposed rule change also would implement several other amendments to conform other Exchange rules to the proposal. The Exchange notes that the proposal substantially mirrors changes recently adopted by the Chicago Board

³ The Exchange submits that all incoming customer orders are represented in the ANTE Central Book, and if marketable, will be automatically executed subject to a number of limited exceptions. Orders that are otherwise eligible for automatic execution may not receive an automatic execution: (i) Whenever the Amex Best Bid or Offer (ABBO) crosses the National Best Bid or Offer (NBBO) and causes an inversion in the quote; or (ii) whenever a better bid or offer is being disseminated by another options exchange and the order is not eligible for automatic price matching. In addition, if quotes are deemed unreliable or the Exchange is experiencing communications or systems problems, non-firm markets or delays in the dissemination of quotes by the Options Price Reporting Authority, orders will not be automatically executed. In these limited cases, incoming customer orders will be routed to the ANTE Display Book for manual handling.

⁴ Exchange rules governing the operation of the Linkage Plan are set forth under Amex Rules 940 through 945 and Amex Rule 941-ANTE.
