DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. ER07-1386-000; ER07-1386-001; ER07-1386-002]

Tatanka Wind Power, LLC; Notice of Issuance of Order

December 17, 2007.

Tatanka Wind Power, LLC (Tatanka) filed an application for market-based rate authority, with an accompanying market-based rate tariff. The proposed market-based rate tariff provides for the sale of energy and capacity at market-based rates. Tatanka also requested waivers of various Commission regulations. In particular, Tatanka requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Tatanka.

On December 10, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development-West, granted the requests for blanket approval under part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Tatanka, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2007).

Notice is hereby given that the deadline for filing protests is January 9, 2008.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, Tatanka is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Tatanka compatible with the public interest, and is reasonably necessary or appropriate for such purposes.
