[Release Nos. 33-8840, 34-56387, IA-2645, IC-27967, File No. S7-21-07]

Regulatory Flexibility Agenda

AGENCY: Securities and Exchange Commission.

ACTION: Semiannual regulatory agenda.

SUMMARY: The Securities and Exchange Commission is publishing an agenda of its rulemaking actions, pursuant to the Regulatory Flexibility Act (RFA) (Pub. L. No. 96-354, 94 Stat. 1164) (Sep. 19, 1980). Information in the agenda was accurate on September 11, 2007, the day on which the Commission’s staff completed compilation of the data. To the extent possible, rulemaking actions by the Commission since that date have been reflected in the agenda. The Commission invites questions and public comment on the agenda and on the individual agenda entries.

The Commission is now printing in the **Federal Register**, along with our preamble, only those agenda entries for which we have indicated that preparation of a Regulatory Flexibility Act analysis is required.

The Commission’s complete RFA agenda will be available online at www.reginfo.gov.

DATES: Comments should be received on or before December 31, 2007.

ADDRESSES: Comments may be submitted by any of the following methods:

Electronic comments:

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/other.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number S7-21-07 on the subject line; or
- Use the Federal eRulemaking Portal (<http://www.regulations.gov>). Follow the instructions for submitting comments.

Paper comments:

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File No. S7-21-07. This file number should be included on the subject line if e-mail is used. To help us process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/other.shtml>). Comments are also available for public inspection and copying in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. All comments received will be posted without change; we do not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

FOR FURTHER INFORMATION CONTACT: Anne Sullivan, Office of the General Counsel, 202-551-5019.

SUPPLEMENTARY INFORMATION: The RFA requires each Federal agency, during

April and October of each year, to publish in the **Federal Register** an agenda identifying rules that the agency expects to consider proposing or adopting that are likely to have a significant economic impact on a substantial number of small entities (5 U.S.C. 602(a)). The RFA specifically provides that publication of the agenda does not preclude an agency from considering or acting on any matter not included in the agenda and that an agency is not required to consider or act on any matter that is included in the agenda (5 U.S.C. 602(d)). Actions that do not have an estimated date are placed in the long-term category; the Commission may nevertheless act on items in that category within the next 12 months. The agenda includes new entries, entries carried over from prior publications, and rulemaking actions that have been completed (or withdrawn) since publication of the last agenda.

The following abbreviations for the acts administered by the Commission are used in the agenda:

“Securities Act”—Securities Act of 1933

“Exchange Act”—Securities Exchange Act of 1934

“Investment Company Act”—Investment Company Act of 1940

“Investment Advisers Act”—Investment Advisers Act of 1940

The Commission invites public comment on the agenda and on the individual agenda entries.

By the Commission.

Dated: September 11, 2007.

Florence E. Harmon,
Deputy Secretary.

Abstract: The Commission proposed new Rules 15c2-2 and 15c2-3 under the Exchange Act, together with accompanying Schedules 15C and 15D. The Commission also proposed related amendments to Rule 10b-10. Proposed Rules 15c2-2 and 15c2-3 and Schedules 15C and 15D would provide for improved confirmation and pre-transaction "point of sale" disclosure of distribution costs and conflicts of interest associated with transactions in mutual funds, municipal fund securities, and unit investment trusts. The amendments to Rule 10b-10 in part would reflect the new rules and would provide improved confirmation disclosure about certain callable securities. They also would clarify that the confirmation disclosure requirements do not determine broker-dealer disclosure obligations under other provisions of the law.

Abstract: As part of its efforts to respond to fraud and manipulation in the microcap securities market, the Commission proposed amendments to Rule 15c2-11. These amendments would limit the rule's piggyback provision and increase public availability of issuer information. The amendments would expand the information review requirements for

non-reporting issuers and the documentation required for significant relationships between the broker-dealer and the issuer of the security to be quoted. Finally, the amendments would exclude from the rule securities of larger, more liquid issuers.

Abstract: The Commission proposed amendments to Rules 200(e)(3) and 203(b)(3) of Regulation SHO. update the market decline limitation referenced in Rule 200(e)(3).

After considering the comments received in response to the proposed amendments, the Commission adopted amendments eliminating the grandfather provision of Rule 203(b)(3) and updating the market decline limitation referenced in Rule 200(e)(3) substantially in the form proposed. The Commission re-proposed amendments to Rule 203(b)(3) to eliminate the market maker exception to the close-out requirements. The Commission also proposed

amendments to Rule 200(g) to require that brokers and dealers marking orders as “long” sales document the present location of the securities being sold.
