SUPPLEMENTARY INFORMATION:

I. Abstract

U.S. commercial fishermen may file claims for compensation for losses or damage to fishing gear or vessels, plus 50 percent of resulting economic losses, attributable to oil and gas activities on the U.S. outer continental shelf. To obtain compensation, applicants must comply with requirements set forth in 50 CFR part 296. The requirements include a report within 15 days of the date the vessel returns to port after the incident, to gain a presumption of eligible causation and to receive an application form.

II. Method of Collection

Paper forms are used for applications, and 15-day reports are made by telephone.

III. Data

OMB Number: 0648-0082.

Form Number: NOAA Forms 88-164, 88-166.

Type of Review: Regular submission.

Affected Public: Individuals or households; business or other for profit organizations.

Estimated Number of Respondents: 100.

Estimated Time per Response: 10 hours for an application, and 5 minutes for a 15-day report.

Estimated Total Annual Burden Hours: 1,008.

Estimated Total Annual Cost to Public: \$500.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.
