

each set of comments by the date specified above. The Department will consider all comments received by the close of the comment period. Comments received after the end of the comment period will be considered, if possible, but their consideration cannot be assured. The Department will not accept comments accompanied by a request that a part or all of the material be treated confidentially because of its business proprietary nature or for any other reason. The Department will return such comments and materials to the persons submitting the comments and will not consider them in its development of a targeted dumping analysis. The Department requires that comments be submitted in written form. The Department also requests submission of comments in electronic form to accompany the required paper copies. Comments filed in electronic form should be submitted either by e-mail to the webmaster below, or on CD-ROM, as comments submitted on diskettes are likely to be damaged by postal radiation treatment.

Comments received in electronic form will be made available to the public in Portable Document Format (PDF) on the Internet at the Import Administration website at the following address: <http://ia.ita.doc.gov>. Any questions concerning file formatting, document conversion, access on the Internet, or other electronic filing issues should be addressed to Andrew Lee Beller, Import Administration Webmaster, at (202) 482-0866, email address: webmaster-support@ita.doc.gov.

Dated: October 17, 2007.

David M. Spooner,
Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Emergency Beacon Registrations

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on

proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before December 24, 2007.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Jeffrey Shoup, 301-817-3806 or Jeffrey.Shoup@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

An international system exists to use satellites to detect and locate ships, aircraft, or individuals in distress if they are equipped with an emergency radio beacon. Persons purchasing a digital, distress beacon, operating in the frequency range of 406.000 to 406.100 MHz, must register it with NOAA. The data provided by registration can assist in identifying who is in trouble and in suppressing false alarms.

II. Method of Collection

Paper and online registration is available.

III. Data

OMB Number: 0648-0295.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Individuals or households; business or other for profit organizations; not-for-profit institutions; state, local or tribal governments.

Estimated Number of Respondents: 20,000.

Estimated Time per Response: 20 minutes.

Estimated Total Annual Burden Hours: 6,667.

Estimated Total Annual Cost to Public: \$8,200.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: October 19, 2007.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.
