**Agency Information Collection Activities: Submission for OMB Review; Comment Request**

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

**Project: Underage Drinking Prevention: Town Hall Meeting Feedback Form—New**

The Substance Abuse and Mental Health Services Administration's (SAMHSA), Center for Substance Abuse Prevention (CSAP) is proposing a 2008 Underage Drinking Prevention: Town Hall Meetings (THM) Initiative. In 2006, approximately 1,510 THMs were held by 1,262 community-based organizations (CBO) throughout the Nation. Each of the THMs strived to increase the understanding and awareness of underage alcohol use and its consequences by encouraging individuals, families, and communities to address the problem. The local THMs gave communities the opportunity to come together to learn more about the new research on underage alcohol use and its impact on both the individuals and the community. They also discussed how their communities can best prevent underage alcohol use.

To help guide decision making and planning for future THMs, SAMHSA/CSAP plans to conduct a process assessment of the THMs to be held in 2008. CBOs that agree to participate in this initiative will be asked to provide feedback about the implementation and results of the THMs in their community. This information collection is being

implemented under the authority of Section 501(d) (4) of the Public Health Service Act (42 U.S.C. 290aa).

The contractor conducting this information collection will distribute a brief feedback form to all participating organizations. The form includes 14 items about the THM, including where, when, and who conducted the meeting, number of attendees, format of meeting, participants in the presentations, actions planned, media coverage of the meeting, composition of the audience, responses of the attendees, materials provided in the town hall meetings, and indications of increased awareness and increased involvement. In addition to distributing the feedback form, the contractor will be responsible for collecting, compiling, analyzing, and reporting on information requested through this feedback form.

The feedback form will be completed by an estimated 1,200 employees from CBOs. The paper form will take an average of 10 minutes (.167 hours) to review instructions, complete the form, and mail it in a self-addressed, stamped envelope. This burden estimate is based on comments from several potential respondents who reviewed the form and provided comments on how long it would take them to complete it.

Form name	Number of respondents	Responses per respondent	Hours per response	Total hour burden
Feedback Form .....	1,200	1	.167	200

Written comments and recommendations concerning the proposed information collection should be sent by October 9, 2007 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-6974.

- *Mail:* Science and Technology Directorate, ATTN: OCIO/Kenneth D. Rogers, 245 Murray Drive, Bldg 410, Washington, DC 20528.

**FOR FURTHER INFORMATION CONTACT:** Kenneth D. Rogers (202) 254-6185 (this is not a toll free number).

**SUPPLEMENTARY INFORMATION:** This request for comment was previously published in the **Federal Register** on June 15, 2007, for a 60-day public comment period ending August 14, 2007. No comments were received by DHS during the 60-day comment period. The purpose of this notice is to allow an additional 30 days for public comments. This notice and request for comments is required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. chapter 35).

DHS invites the general public to comment on the new information collection forms, as described below.

Interested parties can obtain copies of the Forms Package by calling or writing the point of contact listed above.

The Department of Homeland Security (DHS) Small Business Innovation Research (SBIR) program established under the Small Business Innovation Development Act of 1982 (Pub. L. 97-219) is responsible for collecting information used by the DHS SBIR/Small Business Technology Transfer (STTR) Program Office to: 1. Identify members of the public who qualify for, and are interested in participating in, the DHS SBIR/STTR Program; 2. Facilitate SBIR/STTR outreach to the public; 3. Provide the DHS SBIR/STTR Program Office necessary and sufficient information to determine that proposals submitted by the public to the DHS SBIR/STTR Program meet criteria for consideration under the program.

Please note that the Forms Package includes nine forms for collecting proposal information from small businesses. As explained herein, these separate forms are intended to reduce burden and improve records management by (1) allowing offerors to submit identifying information only once and then to reference that previously submitted identifying information in the submittal of proposals, (2) eliminating the cost and delay associated with the submission of proposals via non-electronic means, (3) facilitating timely review of proposals, and (4) improving the accuracy of records management for proposals. The Department is committed to improving its SBIR processes and urges all interested parties to suggest how these materials can further reduce burden while seeking necessary information under the Act.

DHS is particularly interested in comments that:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- (3) Suggest ways to enhance the quality, utility, and clarity of the information to be collected; and

- (4) Suggest ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.
