#### SUPPLEMENTARY INFORMATION:

### Background

At the request of interested parties, the Department of Commerce (the Department) initiated administrative reviews of the antidumping duty orders on ball bearings and parts thereof from France, Germany, Italy, Japan, Singapore, and the United Kingdom for the period May 1, 2005, through April 30, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 37892 (July 3, 2006). On October 16, 2006, we rescinded in part the administrative reviews of the antidumping duty orders on ball bearings and parts thereof from France, Germany, Japan, and the United Kingdom. See *Ball Bearings and Parts Thereof from France, et al.: Notice of Partial Rescission of Antidumping Duty Administrative Reviews*, 71 FR 60688 (October 16, 2006). The preliminary results of the reviews still underway are

currently due no later than January 31, 2007.

### Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Reviews

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of these reviews within the original time limit because of the number of respondents in these reviews, plans to verify certain respondents' information, and the complexity of the issues under analysis, such as further-manufacturing operations in the United States and the "collapsing" of companies. Therefore, we are extending the time period for issuing the preliminary results of these reviews by 45 days until March 19, 2007.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: January 11, 2007.
