(1) The bid specifications are in writing and are timely forwarded, or are made available on an internet website or other similar electronic media that is regularly used to post bid specifications, to potential bidders. For purposes of this paragraph (d)(6)(iii)(A), a writing includes a hard copy, a fax, or an electronic e-mail copy.

(6) All potential providers have an equal opportunity to bid. If the bidding process affords any opportunity for a potential provider to review other bids before providing a bid, then providers have an equal opportunity to bid only if all potential providers have an equal opportunity to review other bids. Thus, no potential provider may be given an opportunity to review other bids that is not equally given to all potential providers (that is, no exclusive "last look").

Par. 9. Section 1.148-5(e)(2) is amended by revising the second sentence of paragraph (e)(2)(ii)(B) to read as follows:

§ 1.148-5 Yield and valuation of investments.

(B) External commingled funds. * * * For purposes of this paragraph (e)(2)(ii)(B), a fund is treated as widely held only if, during the immediately preceding fixed, semiannual period chosen by the fund (for example, semiannual periods ending June 30 and December 31), the fund had a daily average of more than 15 investors that were not related parties, and at least 16 of the unrelated investors each maintained a daily average amount invested in the fund that was not less than the lesser of \$500,000 and one percent (1%) of the daily average of the total amount invested in the fund (with it being understood that additional smaller investors will not disqualify the fund).

Par. 10. Section 1.148-8(d) is revised to read as follows:

§ 1.148-8 Small Issuer Exception to Rebate Requirement.

(d) Pooled financings—treatment of conduit borrowers. A loan to a conduit borrower in a pooled financing qualifies for the small issuer exception, regardless of the size of either the pooled financing or of any loan to other conduit borrowers, only if—

- (1) The bonds of the pooled financing are not private activity bonds;
(2) None of the loans to conduit borrowers are private activity bonds; and
(3) The loan to the conduit borrower meets all the requirements of the small issue exception.

Par. 11. Section 1.148-11 is revised by adding new paragraph (k) as follows:

§ 1.148-11 Effective Dates.

(k) Certain arbitrage guidance updates.

(1) In general. Sections 1.148-3(d)(1)(iv); 1.148-3(d)(4); 1.148-4(a); 1.148-4(b)(3)(i); 1.148-4(h)(2)(ii)(A); 1.148-4(h)(2)(v); 1.148-4(h)(2)(vi); 1.148-4(h)(2)(viii); 1.148-4(h)(3)(iv)(B); 1.148-4(h)(4)(i)(C); 1.148-5(c)(3); 1.148-5(d)(6)(iii)(A) and 1.148-5(e)(2)(ii)(B), as in effect on the effective date of the final regulations (the revised provisions), apply to bonds sold on or after the date that is 90 days after publication of the final regulations in the Federal Register, for bonds subject to such applicable section of the regulations as in effect before the effective date of the final regulations.

(2) Permissive earlier application. To the extent provided in paragraphs (k)(2)(i) through (vi) of this section, issuers may apply the proposed regulations to bonds sold before the date that is 90 days after publication of the final regulations in the Federal Register.

(i) Section 1.148-3(d)(1)(iv) and § 1.148-3(d)(4) may be applied for bond years ending on or after the date of publication of the proposed regulations in the Federal Register for bonds to which 1.148-3(d)(1)(iv) applies.

(ii) Section 1.148-4(b)(3)(i) may be applied for bonds sold on or after the date of publication of the proposed regulations in the Federal Register for bonds to which that section applies.

(3) Rebate overpayment recovery. Section 1.148-3(j) applies to bonds subject to § 1.148-3(i).

(4) Small issuer exception to rebate requirement for conduit borrowers of pooled financings. Section 1.148-8(d) applies to bonds issued after May 17, 2006.

SUPPLEMENTARY INFORMATION:

Background

This document proposes to amend 26 CFR parts 1 and 301 by adding the patented transactions category of reportable transaction to the rules under

section 6011 and by making conforming changes to the rules relating to the disclosure of reportable transactions by material advisors under section 6111.

On November 1, 2006, the IRS and Treasury Department issued a notice of proposed rulemaking and temporary and final regulations under sections 6011, 6111, and 6112 (REG-103038-05, REG-103039-05, REG-103043-05, TD 9295) (the November 2006 regulations). The November 2006 regulations were published in the **Federal Register** (71 FR 64488, 71 FR 64496, 71 FR 64501, 71 FR 64458) on November 2, 2006. In the preamble to those proposed regulations, the IRS and Treasury Department expressed concern, shared by many commentators, regarding the patenting of tax advice or tax strategies that have the potential for tax avoidance. A patent for tax advice or a tax strategy might be interpreted by taxpayers as approval by the IRS and Treasury Department of the transaction, which might impede the efforts of the IRS and Treasury Department to obtain information regarding tax avoidance transactions and have an impact on effective tax administration. Consequently, the IRS and Treasury Department requested comments regarding the creation of a new category of reportable transaction to address these concerns.

The IRS and Treasury Department received written public comments responding to the proposed regulations and held a public hearing regarding the proposed rules on March 20, 2007. After consideration of the comments received, the IRS and Treasury Department are issuing these proposed regulations with respect to patented transactions. Upon publication of final regulations, these regulations will be effective for transactions entered into on or after the date of publication of this notice of proposed rulemaking.

Explanation of Provisions

In response to the request for comments, the IRS and Treasury Department received five comments regarding the creation of a new category of reportable transaction to address the patenting of tax advice or tax strategies. One commentator suggested that the patenting of tax advice or tax strategies should not be addressed through the addition of a new category of reportable transaction. The commentator suggested that the IRS should require a form of notification or have a disclosure requirement informing the IRS when the United States Patent and Trademark Office (USPTO) issues a tax strategy patent. The commentator suggested that this could be accomplished through
