11. If and to the extent that Rule 6e-2 and Rule 6e-3(T) under the 1940 Act are amended, or proposed Rule 6e-3 under the 1940 Act is adopted, to provide exemptive relief from any provision of the 1940 Act, or the rules promulgated thereunder, with respect to mixed or shared funding, on terms and conditions materially different from any exemptions granted in the order requested in the Application, then the Fund and/or Participating Insurance Companies, as appropriate, shall take such steps as may be necessary to comply with Rules 6e-2 and 6e-3(T), or Rule 6e-3, as such rules are applicable.

Such reports, materials, and data will be submitted more frequently if deemed appropriate by the Board. The obligations of the Participants to provide these reports, materials, and data to the Board, when it so reasonably requests, will be a contractual obligation of all Participants under their agreements governing participation in the Portfolios.

The Trustees of a Qualified Plan will execute an application containing an acknowledgment of this condition at the time of its initial purchase of shares of any Portfolio.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56064; File No. SR-CHX-2006-42]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Modify Provisions Relating to Cross With Yield Orders

July 13, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 22, 2006, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the CHX. On July 6, 2007, the Exchange filed Amendment No. 1 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CHX proposes to amend its rules to permit participants submitting "cross

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ Amendment No. 1, which replaced the original filing in its entirety, removed a proposal that would have allowed the Exchange's Matching System to reprice sell short mid-point cross orders. The Exchange believes that such repricing is no longer necessary due to the Commission's recent decision to eliminate Rule 10a-1 and all similar pricing tests that might be applied to sell short orders. See Securities Exchange Act Release No. 55970 (June 28, 2007), 72 FR 36348 (July 3, 2007). Amendment No. 1 also removed a proposed effective date for the new order type and made other small wording changes to the narrative description.

with yield" orders to elect to yield to undisplayed interest. The text of this proposed rule change is available at the Exchange, on the Exchange's Web site at: http://www.chx.com/rules/proposed_rules.htm, and in the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the Exchange's new trading model, the CHX offers its participants a wide variety of order types that may be submitted to the CHX and its central matching engine ("Matching System").⁴ As the CHX and its participants gain familiarity with this new trading model, further dialogue with participant firms, as well as industry developments, will likely necessitate further refinement of the CHX new trading model rules, including the sort of order type enhancement proposed in this submission.

This proposed rule change would amend the definition of a "cross with yield" order to permit a CHX participant to elect to yield to undisplayed market interest in addition to bids and offers that are displayed in the Matching System. This change is consistent with the purpose of a cross with yield order—a participant selects this type of order because it wants its customer order to interact with available market interest. This proposal, which simply expands the types of orders to which a participant's interest would yield, is reflected in changes to Article 1, Rule 2(h) and Article 20, Rules 4(b)(7) and 8(e) of the Exchange's rules.

2. Statutory Basis

The CHX believes the proposal is consistent with the requirements of the Act and the rules and regulations

⁴ See, e.g., CHX Article 1, Rule 2 and CHX Article 20, Rule 4 (outlining the range of available order types).

thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of section 6(b).⁵ The CHX believes the proposal is consistent with section 6(b)(5) of the Act⁶ in that it is designed to promote just and equitable principles of trade, to remove impediments to, and to perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors and the public interest by permitting the Exchange to further refine its product offerings.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
