Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: Grants for the Integration of Schools and Mental Health Systems will provide funds to increase student access to high-quality mental health care by developing innovative approaches that link school systems with the local mental health system.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 5541 of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7269).

Absolute Priority: For FY 2007 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Increasing student access to quality mental health care by developing innovative approaches to link local

school systems with the local mental health system. A program funded under this absolute priority must include all of the following activities:

(1) Enhancing, improving, or developing collaborative efforts between school-based service systems and mental health service systems to provide, enhance, or improve prevention, diagnosis, and treatment services to students.

(2) Enhancing the availability of crisis intervention services, appropriate referrals for students potentially in need of mental health services, and ongoing mental health services.

(3) Providing training for the school personnel and mental health professionals who will participate in the program.

(4) Providing technical assistance and consultation to school systems and mental health agencies and families participating in the program.

(5) Providing linguistically appropriate and culturally competent services.

(6) Evaluating the effectiveness of the program in increasing student access to quality mental health services, and making recommendations to the Secretary about sustainability of the program.

Additional Requirements: The following requirements are from the Notice of Final Requirements for this program, published in the **Federal Register** on May 30, 2006 (71 FR 30780).

Requirement 1—Coordination of Activities

Recipients of a grant under the Grants for the Integration of Schools and Mental Health Systems program are required to coordinate project activities with projects funded under the Department of Health and Human Services' Substance Abuse and Mental Health Services Administration's Mental Health Transformation State Infrastructure Grants (MHTSIG) program (CFDA 93.243), if a grantee's State receives a MHTSIG award. If a recipient of a grant under the Grants for the Integration of Schools and Mental Health Systems program has received or receives a grant under the Department of Education's Emergency Response and Crisis Management (ERCM) program (CFDA 84.184E), the recipient must coordinate mental health service activities under this grant with those planned under its ERCM grant. Projects funded by this program must complement, rather than duplicate, existing or ongoing efforts.

Requirement 2—Safe Schools/Healthy Students Recipients Excluded From Receiving Awards

Former or current recipients under the Safe Schools/Healthy Students program (CFDA 84.184L) are not eligible to receive a Grant for the Integration of Schools and Mental Health Systems. Recipients of Safe Schools/Healthy Students awards are responsible for completing a scope of work under that program that is very similar to the activities required under the Grants for the Integration of Schools and Mental Health Systems program. By restricting the applicant pool to eliminate former or current grantees under the Safe Schools/Healthy Students program, we will be able to focus Federal funds on entities that have not yet received Federal support to develop and implement strong linkages with other entities in their communities for the provision of mental health services to students.

Applicants may compete for both the Grants for the Integration of Schools and Mental Health Systems and Safe Schools/Healthy Students programs in the same year; if applicants are deemed eligible for funding in both grant competitions, the applicant will receive the larger and more comprehensive of the awards.

Requirement 3—Preliminary Interagency Agreement

Applicants for an award under the Grants for the Integration of Schools and Mental Health Systems program must develop and submit with their applications a preliminary interagency agreement (IAA). The IAA must contain the signatures of an authorized representative of at least (1) one or more State or local educational agencies or Indian tribes; (2) one or more juvenile justice authorities; and (3) one or more State or local public mental health agencies. This preliminary IAA would confirm the commitment of these partners to complete the work under the proposed project, if funded. If the applicant is funded, recipients will complete a final IAA as required by section 5541(e) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The final IAA must be completed and submitted to us, signed by all parties, no later than 12 months after the award date.

Applications that do not include the proposed preliminary IAA with all of the required signatures will be rejected and not be considered for funding.

Requirement 4—Inclusion of Parental Consent Considerations in Final IAA

The final Interagency Agreement (IAA) must include a description of policies and procedures that would ensure appropriate parental or caregiver consent for any planned services, pursuant to State or local laws or other requirements.

Requirement 5—Provision of Direct Services

Grant funds under this program must not be used to provide direct services to students.

Program Authority: 20 U.S.C. 7269.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, 99, and 299. (b) The notice of final requirements for this program published in the **Federal Register** on May 30, 2006 (71 FR 30780).

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$4,521,346. Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2007 and in FY 2008 from the list of unfunded applications from this competition.

Estimated Range of Awards: \$150,000–\$350,000.

Estimated Average Size of Awards: \$250,000.

Estimated Number of Awards: 18.

Note: The Department is not bound by any estimates in this notice.

6. Other Submission Requirements: Applications for grants under this competition may be submitted electronically or in paper format by mail or hand delivery.

a. Electronic Submission of Applications.

To comply with the President's Management Agenda, we are participating as a partner in the Governmentwide Grants.gov Apply site. The Grants for the Integration of Schools and Mental Health Systems Program, CFDA 215M, is included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Grants for the Integration of Schools and Mental Health Systems at <http://www.Grants.gov>. You must search for the downloadable application package for this program or competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.215, not 84.215M).

Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your

application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all

information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the

application deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. *Review and Selection Process:* Additional factors we consider in selecting an application for an award are the equitable distribution of grants among the geographical regions of the United States and among urban, suburban, and rural populations.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. You must also submit an interim progress report twelve months after the award date. This report should provide the most current performance and financial expenditure information, including baseline data.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing the effectiveness of the Grants for the Integration of Schools and Mental Health Systems program:

a. The percentage of schools served by the grant that have comprehensive, detailed linkage protocols in place; and
b. The percentage of school personnel served by the grant who are trained to make appropriate referrals to mental health services.

These two measures constitute the Department's measures of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these two measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their performance and final reports about progress toward these measures. The Secretary will also use this information to respond to the evaluation requirements concerning this program established in Section 5541(f) of the ESEA. For specific requirements on grantee reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.
