RE: U.S. Government Procurement; Title III, Trade Agreements Act of 1979 (19 U.S.C. 2511); Subpart B, Part 177, CBP Regulations; Country of Origin of Printer Cartridges

Dear Mr. Koehl:

This is in response to your letter of March 26, 2007, requesting a final determination on behalf of Nukote International, Inc. ("Nukote"), pursuant to subpart B of Part 177, Customs and Border Protection ("CBP") Regulations (19 CFR 177.21 *et seq.*). Under these regulations, which implement Title III of the Trade Agreements Act of 1979, as amended (19 U.S.C. 2511 *et seq.*), CBP issues country of origin advisory rulings and final determinations as to whether an article is or would be a product of a designated country or instrumentality for the purpose of granting waivers of certain "Buy American" restrictions in U.S. law or practice for products offered for sale to the U.S. Government.

This final determination concerns the country of origin of certain laser printer cartridge models. We note that Nukote is a party-at-interest within the meaning of 19 CFR 177.22(d)(1) and is entitled to request this final determination.

FACTS

You request a final determination with respect to three manufacturing process scenarios and resulting end products. The first scenario involves laser toner cartridges for color laser printers, including both color and monochrome (black) cartridges. The second scenario involves monochrome (black) laser toner cartridges for conventional laser printers with an electronic chip. The third scenario involves monochrome (black) laser toner cartridges for conventional laser printers without an electronic chip.

You describe the first process as follows. Nukote collects empty toner cartridges from end users at collection sites in the United States and, to a substantially lesser extent, in Canada, Singapore, the United Kingdom, Hong Kong and China. Nukote also purchases used printer cartridges from United States-
