

download the Workplace Forms Viewer™ to access the Electronic Information Exchange (EIE), a component of the E-Filing system. The Workplace Forms Viewer™ is free and is available at <http://www.nrc.gov/site-help/e-submittals/install-viewer.html>. Information about applying for a digital ID certificate is available on NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals/apply-certificates.html>.

Once a petitioner/requestor has obtained a digital ID certificate, had a docket created, and downloaded the EIE viewer, it can then submit a request for hearing or petition for leave to intervene. Submissions should be in Portable Document Format (PDF) in accordance with NRC guidance available on the NRC public Web site at <http://www.nrc.gov/site-help/e-submittals.html>. A filing is considered complete at the time the filer submits its documents through EIE. To be timely, an electronic filing must be submitted to the EIE system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an e-mail notice confirming receipt of the document. The EIE system also distributes an e-mail notice that provides access to the document to the NRC Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the documents on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before a hearing request/petition to intervene is filed so that they can obtain access to the document via the E-Filing system.

A person filing electronically may seek assistance through the "Contact Us" link located on the NRC Web site at <http://www.nrc.gov/site-help/e-submittals.html> or by calling the NRC technical help line, which is available between 8:30 a.m. and 4:15 p.m., Eastern Time, Monday through Friday. The help line number is (800) 397-4209 or locally, (301) 415-4737.

Participants who believe that they have a good cause for not submitting documents electronically must file a motion, in accordance with 10 CFR 2.302(g), with their initial paper filing requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission,

Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville, Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff. Participants filing a document in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service.

Non-timely requests and/or petitions and contentions will not be entertained absent a determination by the Commission, the presiding officer, or the Atomic Safety and Licensing Board that the petition and/or request should be granted and/or the contentions should be admitted, based on a balancing of the factors specified in 10 CFR 2.309(c)(1)(i)-(viii). To be timely, filings must be submitted no later than 11:59 p.m. Eastern Time on the due date.

Documents submitted in adjudicatory proceedings will appear in NRC's electronic hearing docket which is available to the public at [http://ehd.nrc.gov/EHD\\_Proceeding/home.asp](http://ehd.nrc.gov/EHD_Proceeding/home.asp), unless excluded pursuant to an order of the Commission, an Atomic Safety and Licensing Board, or a Presiding Officer. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or home phone numbers in their filings. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34–56850; File No. SR–Amex–2007–123]

**Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No.1 Thereto, To Send P/A Orders Through Linkage Prior to the Opening of Trading**

November 27, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup>

notice is hereby given that on November 16, 2007, the American Stock Exchange LLC (“Exchange” or “Amex”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been substantially prepared by the Amex. On November 26, 2008, the Exchange filed Amendment No. 1 to the proposed rule change. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons and is approving the proposed rule change on an accelerated basis.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to adopt Commentary .06 to Amex Rule 918 to permit the sending of Principal Acting as Agent Orders (“P/A Orders”)<sup>3</sup> through the Intermarket Options Linkage (“Linkage”) prior to the opening of trading. This proposal would conform Amex Rule 918 to Joint Amendment No. 23<sup>4</sup> (“Amendment No. 23”) to the Plan for the Purpose of Creating and Operating an Intermarket Options Linkage (the “Linkage Plan”).<sup>5</sup> The text of the proposed rule change is available at the Amex, at the Commission's Public Reference Room, and at <http://www.amex.com>.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, its proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of

<sup>3</sup> See Section 2(16)(a) of the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage (“Linkage Plan”).

<sup>4</sup> See Securities Exchange Act Release No. 56780 (November 13, 2007), 72 FR 65113 (November 19, 2007) (File No. 4–429).

<sup>5</sup> On July 28, 2000, the Commission approved a national market system plan for the purpose of creating and operating an intermarket options market linkage proposed by the Amex, CBOE, and ISE. See Securities Exchange Act Release No. 43086 (July 28, 2000), 65 FR 48023 (August 4, 2000). Subsequently, Phlx, Pacific Exchange, Inc. (n/k/a NYSE Arca, Inc.), and BSE joined the Linkage Plan. See Securities Exchange Act Release Nos. 43573 (November 16, 2000), 65 FR 70851 (November 28, 2000); 43574 (November 16, 2000), 65 FR 70850 (November 28, 2000); and 49198 (February 5, 2004), 69 FR 7029 (February 12, 2004).

the most significant aspects of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

**1. Purpose**

The Amex proposes to adopt Commentary .06 to Amex Rule 918 to amend its rule to conform to Amendment No. 23 to the Linkage Plan. The proposal will permit the use of the Linkage prior to the opening of trading. Prior to the adoption of Amendment No. 23, the Linkage Plan did not contemplate the use of the Linkage before a Linkage Plan participant (a “Participant”) opened for trading and disseminated a quotation in an options series. In addition, there was no trade-through protection for opening trades. As a result, if there was a better market away at the time a Plan Participant opens its market, the Amex specialist, responsible both for the opening and for protecting customer orders, could not access that market for a customer. The customer accordingly could receive a price inferior to the national best bid and offer (“NBBO”). This proposal, along with Amendment No. 23 to the Linkage Plan, will permit the sending of P/A Orders prior to the opening, allowing the Amex specialist to access better markets on behalf of customers prior to the Exchange's opening.

In implementing this proposed rule change, the Exchange represented that it will ensure that customers receive the best price for their orders. Under the Linkage Plan, a Participant receiving market has five (5) seconds to respond to a P/A Order, and the Participant receiving market can then reject a response it receives more than five (5) seconds after sending the order. In the unlikely event that the Amex opens its market during this five (5) second period, it is possible that the opening price could differ from the price of an executed P/A Order. In that case, the Amex represented that it will ensure that the specialist provides the customer with the most advantageous price. Therefore, the proposal will only benefit customers by providing them with potential price improvement at the opening.

**2. Statutory Basis**

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to national securities exchanges and, in particular, the
