

Act and the rules promulgated thereunder then the same shall not be effective until filed with, or filed with and approved by, the Commission, as the case may be. In addition, the resolutions of each non-U.S. Upstream Owner would apply these requirements to any action by such Upstream Owner that would have the effect of amending or repealing any provision of the resolutions.

2. Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5) of the Act²⁵ that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the proposal will permit the ISE to enter into the Transaction with Eurex Frankfurt, a leading international derivatives exchange, providing the ISE with strong ownership to be competitive in an increasingly global market.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:
