Sea Robin Pipeline Company, LLC; Notice of Flowthrough Crediting Mechanism

January 4, 2007.

Take notice that on December 29, 2006, Sea Robin Pipeline Company, LLC (Sea Robin) submitted its Annual Flowthrough Crediting Mechanism Filing. Sea Robin states that this filing was made pursuant to section 22 of the General Terms and Conditions of Sea Robin's FERC Gas Tariff, which requires the crediting of certain amounts received as a result of resolving monthly

imbalances between its gas and liquefiables shippers and under its operational balancing agreements as described in Section 6 of its Tariff, and to accumulate amounts received as a result of imposing scheduling penalties as described in section 7 of its Tariff.

Sea Robin reports that it received \$210,294.06 in excess of amounts paid to shippers for the twelve months ended October 31, 2006. In accordance with section 22.2 of its Tariff, this excess amount will be credited to shippers, based upon shippers transportation volumes for the twelve months ended October 31, 2006.

Sea Robin further states that copies of this filing are being served on all jurisdictional customers, applicable state regulatory agencies and parties to this proceeding.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Stingray Pipeline Company, L.L.C.; Notice of Proposed Changes in FERC Gas Tariff

January 3, 2007.

Take notice that on December 22, 2006, Stingray Pipeline Company, L.L.C. (Stingray) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, to become effective January 21, 2007:

Tenth Revised Sheet No. 2
Original Sheet No. 205
Original Sheet No. 206
Original Sheet No. 207
Original Sheet No. 208
Sheet Nos. 209-299 (reserved for future use)

Stingray states it is filing these tariff sheets to reflect currently effective service and discount rate agreements which do not conform with its current form of service agreement. Stingray requests that the Commission accept these non-conforming agreements for filing and grant any and all waivers necessary to allow these agreements to be effective as of their respective effective dates and to remain in effect in accordance with their respective terms.

Stingray states that copies of its filing have been mailed to all affected customers of Stingray and any interested State commissions. However, due to the voluminous nature of this filing, Stingray is not providing copies of the appendices or filed agreements or red-lines of such agreements as part of each service copy. Stingray states that it will provide copies of such appendices and agreements to any affected customer or interested State commission who requests such copies.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of

intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. [Docket No. RP07-127-000]

Texas Eastern Transmission; LP Notice of Proposed Changes in FERC Gas Tariff

January 4, 2007.

Take notice that on December 29, 2006, Texas Eastern Transmission, LP (Texas Eastern) tendered for filing as part of its FERC Gas Tariff, Seventh Revised Volume No. 1 and First Revised Volume No. 2, revised tariff sheets, as listed on Appendix B to the filing, to become effective February 1, 2007.

Texas Eastern states that these revised tariff sheets are filed pursuant to Section 15.1, Electric Power Cost (EPC) Adjustment, of the General Terms and Conditions of Texas Eastern's FERC Gas Tariff, Seventh Revised Volume No. 1. Texas Eastern states that Section 15.1 provides that Texas Eastern shall file, to

be effective each February 1, revised rates for each applicable zone and rate schedule, based upon the projected annual EPC required for the operation of transmission compressor stations with electric motor prime movers. The revised tariff sheets also reflect the EPC Surcharge, which is designed to clear the balance in the Deferred EPC Account.

Texas Eastern states that all costs of electric power compression required for the incremental services under the Freehold Project and the M-1 Expansion Project are appropriately assigned to the incremental projects as required by the Commission orders certificating those projects. In addition, Texas Eastern states that it has based its EPC allocation to the TIME Project on the methodology set forth in the Commission-approved joint settlement in Docket Nos. RP03-542, *et al.*

Texas Eastern states that generally, the revised tariff sheets reflect an increase in Texas Eastern's EPC Adjustment. For example, the proposed rate changes to the primary firm capacity reservation charges, usage rates and 100% load factor average costs for full Access Area Boundary service from the Access Area Zone, East Louisiana, to the three market area zones are as follows:

Zone	Reservation	Usage	100% load factor
Market 1	\$0.035/Dth	\$0.0012/Dth	0.0024/Dth
Market 2	0.104/Dth	0.0040/Dth	0.0074/Dth
Market 3	0.152/Dth	0.0056/Dth	0.0106/Dth

Texas Eastern states that copies of its filing have been served upon all affected customers of Texas Eastern and interested State commissions.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date

need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>.
