

requires any Series A-1 Permit Holder to maintain a primary affiliation with an eligible member organization at all times that such holder holds a permit. Member organizations, which do not include individuals but which are defined as "a corporation, partnership (general or limited), limited liability partnership, limited liability company, business trust or similar organization" which meet certain criteria, are not covered by the Rule 702 prohibition.

The Exchange is proposing the deletion of Rule 702 not only because it is confusing, but also because a member's ability to carry customer accounts is in many ways dictated by the member's ability to comply with relevant securities laws and regulations including, but not limited to, Exchange Act Rules 15c3-1 and 15c3-3,⁷ and related rules, which do not make distinctions on the basis of a member's organizational and corporate structure.⁸ The Exchange believes that Rule 702 is therefore superfluous.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by eliminating a confusing and unnecessary Exchange rule.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁷ 17 CFR 240.15c3-1 and 240.15c3-3.

⁸ For example, the customer protection provisions of Rule 15c3-3 under the Act requires broker-dealers to maintain physical possession or control of customer fully-paid and excess margin securities. Further, Phlx member firms for which the Exchange is the DEA generally do not carry public customer accounts. If a Phlx member firm carries customer accounts it is required to become a member of a national securities association (e.g., the National Association of Securities Dealers ("NASD")). Under agreements that the Phlx has entered into with other self-regulatory organizations ("SROs") in accordance with Rule 17d-2 under the Act, any Phlx member that is also a member of another SRO (including the NASD) would be assigned to another DEA.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which Phlx consents, the Commission shall: (a) By order approve such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-Phlx-2005-68 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-Phlx-2005-68. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the

provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the Phlx. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-Phlx-2005-68 and should be submitted on or before March 7, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Secretary.
