**Rice Mills, Incorporated; Belton, SC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on November 16, 2006, applicable to workers of Rice Mills, Incorporated, Belton, South Carolina. The notice was published in the **Federal Register** on November 28, 2006 (71 FR 68840).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of kid's and adults' sleepwear.

New findings show that there was a previous certification, TA-W-54,637, issued on May 4, 2004, covering the identical worker group as the subject firm, who were engaged in employment related to the production of kid's and adults' sleepwear. That certification expired on May 4, 2006. To avoid an overlap in worker group coverage, the certification is being amended to change the impact date from October 23, 2005 to May 5, 2006, for workers of the subject firm.

The amended notice applicable to TA-W-60,353 is hereby issued as follows:

"All workers of Rice Mills, Incorporated, Belton, South Carolina, who became totally or partially separated from employment on or

after May 5, 2006, through November 16, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974 and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed at Washington, DC this 21st day of December 2006.

**Staktek Group L.P., Austin, TX, Including an Employee of Staktek Group L.P., Austin, TX Located in Poughquag, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Negative Determination Regarding Eligibility To Apply for Alternative Trade Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification Regarding Eligibility to Apply for Worker Adjustment Assistance and a Negative Determination Regarding Eligibility To Apply For Alternative Trade Adjustment Assistance on June 7, 2006, applicable to workers of Staktek Group L.P., Austin, Texas. The notice was published in the **Federal Register** on July 14, 2006 (71 FR 40159).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that a worker separation has occurred involving an employee of the Austin, Texas facility of Staktek Group L.P., located in Poughquag, New York.

Mr. Jerry Barbaro provided sales function services related to the production of stacked memory chips produced by the subject firm.

Based on these findings, the Department is amending this certification to include employees of the Austin, Texas facility of Staktek Group L.P. located in Poughquag, New York.

The intent of the Department's certification is to include all workers of Staktek L.P., Austin, Texas who were adversely affected by a shift in production to Mexico.

The amended notice applicable to TA-W-59,283 is hereby issued as follows:

“All workers of Staktek Group L.P., Austin, Texas (TA-W-59,283), and including an employee located in Poughquag, New York (TA-W-59,283A), who became totally or partially separated from employment on or after April 25, 2005, through June 7, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.” I further determine that all workers of Staktek Group L.P., Austin, Texas are denied eligibility to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 29th day of December 2006.

**SUPPLEMENTARY INFORMATION:**

## I. Background

Migrant and Seasonal Agricultural Worker Protection Act (MSPA) section 401 (29 U.S.C. 1841) requires, subject to certain exceptions, all Farm Labor Contractors (FLCs), Agricultural Employers (AGERs), and Agricultural Associations (AGASs) to ensure that any vehicle they use or cause to be used to transport or drive any migrant or seasonal agricultural worker conforms to safety and health standards prescribed by the Secretary of Labor under the MSPA and with other applicable Federal and State safety standards. These MSPA safety standards address the vehicle, driver, and insurance. The Wage and Hour Division (WHD) has created Forms WH-514, WH-514a, and WH-515, which allow FLC applicants to verify to the WHD that the vehicles used to transport migrant/seasonal agricultural workers meet the MSPA vehicle safety standards and that anyone who drives such workers meets the Act's minimum physical requirements. The WHD uses the information in deciding whether to authorize the FLC/FLC Employee applicant to transport/drive any migrant/seasonal agricultural workers or to cause such transportation. Form WH-514 is used to verify that any vehicle used or caused to be used to transport any migrant/seasonal agricultural worker(s) meets the Department of Transportation (DOT) safety standards. When the adopted DOT rules do not apply, FLC applicants seeking authorization to transport any migrant/seasonal agricultural workers use Form WH-514a to verify that the vehicles meet the DOL safety standards and upon the vehicle meeting the required safety standards, the form is completed. Form WH-515 is a doctor's certificate used to document that a motor vehicle driver or operator meets the minimum DOT physical requirements that the DOL has adopted. This information collection is currently approved for use through July 31, 2007.
