BILLING CODE 5001-06-M

DEPARTMENT OF DEFENSE

Department of the Air Force

Notice of Intent To Prepare an Environmental Impact Statement for Utah Test and Training Range Military Operations Area

AGENCY: Department of the Air Force,
Air Combat Command, DOD.

ACTION: Notice of Intent.

SUMMARY: Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. 4321, et seq.), the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of NEPA (40 CFR Parts 1500-1508), and Air Force policy and procedures (32 CFR Part 989), the U.S. Air Force is issuing this notice to advise the public of its intent to prepare an Environmental Impact Statement (EIS) to assess the potential environmental impacts of creating a new military operations area (MOA) west of the Utah Test and Training Range (UTTR).

The Air Force proposal would expand the current UTTR airspace in Nevada in order to provide training opportunities not consistently available in existing UTTR airspace. This expansion is needed due to the scheduling limitations caused by other activities including large footprint weapons system tests. The MOA would underlay an established Air Traffic Control Assigned Airspace (ATCAA) unit and would not extend below 14,000 feet mean sea level. The Air Force proposal includes use of chaff and flares in the MOA and authorization of supersonic flight in the ATCAA.

Dates and Addresses: The Air Force will host a series of scoping meetings to receive public input on environmental concerns that should be addressed in the EIS. The schedule and location of the public scoping open house meetings are below. All meetings will last from 6 p.m. to 8 p.m.

Tuesday, 18 December 2007: Ely, Nevada, Bristlecone Pine Convention Center, 150 Sixth Street, Ely, NV 89301. Wednesday, 19 December 2007: Elko, Nevada, Elko Convention Center 700 Moren Way, Elko, NV 89801. Thursday, 20 December 2007: West Wendover, Nevada, West Wendover Branch

Library, 590 Camper Dr., West Wendover, NV 89883.

Comments will be accepted at any time during the environmental impact analysis process. However, to ensure the Air Force has sufficient time to consider public input in the preparation of the Draft EIS, comments should be submitted to the address below by January 7, 2008.

FOR FURTHER INFORMATION CONTACT: Ms. Sheryl Parker, HQ ACC/A7PP, 129 Andrews St., Suite 102, Langley AFB, VA 23665-2769, telephone 757-764-9334.

Citizens Electric Company of Lewisburg, PA, Wellsboro Electric Company; Notice of Issuance of Order

November 20, 2007.

Citizens Electric Company of Lewisburg, PA (Citizens) and Wellsboro Electric Company (Wellsboro) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed market-based rate tariff provides for the sale of energy and capacity at market-based rates. Citizens and Wellsboro also requested waivers of various Commission regulations. On November 16, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests.

Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Citizens and Wellsboro, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing protests is December 17, 2007.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, Citizens and Wellsboro are authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Citizens and Wellsboro, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Citizen's and Wellsboro's issuance of securities or assumptions of liability.
