

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collocation of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

ADDRESSES: Barbara G. Smith, E-Projects Officer, Institute of Museum and Library Services, 1800 M Street, NW., 9th Floor, Washington, DC. Ms. Smith can be reached by telephone: 202-653-4688; fax: 202-653-8625; or e-mail: bsmith@imls.gov.

SUPPLEMENTARY INFORMATION: The Institute of Museum and Library Services is an independent Federal grant-making agency authorized by the Museum and Library Services Act, 20 U.S.C. 9101, *et seq.* Section 210 of the Act supports IMLS' data collection and analysis role. The IMLS provides a variety of grant programs to assist the nation's museums and libraries in improving their operations and enhancing their services to the public. Museums and libraries of all sizes and types may receive support from IMLS programs.

The State Library Agencies Survey, conducted by the U.S. Department of Education, has OMB clearance number 1850-0705; it expires 7/31/2008.

Plans are underway for the transfer of the State Library Agencies Survey from the Dept. of Education to the Institute of Museum and Library Services beginning with Fiscal Year 2008. The responsibility for this data collection, and for the clearance process, will be transferred entirely to IMLS, provided funds are appropriated to the agency for this purpose in FY 2008.

Abstract: State Library Agencies are the official agencies of each state charged by state law with the extension and development of public library services throughout each state. The purpose of the State Library Agencies Survey is to provide state and federal policymakers with information about State Library Agencies, including their governance, allied operations, developmental services to libraries and library systems, support of electronic information networks and resources, number and types of outlets, and direct services to the public.

Current Actions: This notice proposes clearance of the State Library Agencies Survey. The 60-day Notice for the "State Library Agencies Survey" was published in the **Federal Register** on February 5, 2007 (FR vol. 72, no. 23, pgs 5302-5303.) One comment was received.

NUCLEAR REGULATORY COMMISSION

[EA-07-159; Docket No. 52-010]

In the Matter of General Electric Company and All Other Persons Who Seek Or Obtain Access To Safeguards Information Described Herein; Order Imposing Safeguards Information Protection Requirements and Fingerprinting and Criminal History Records Check Requirements For Access To Safeguards Information (Effective Immediately)

I

General Electric Company (GE), has submitted an application for design certification for the Economic and Simplified Boiling Water Reactor design in accordance with the Atomic Energy Act (AEA) of 1954, as amended, and 10 CFR Part 52, which is currently being considered by the NRC staff.

The Commission has decided to require, through rulemaking, that nuclear power plant designers perform a rigorous assessment of design features that could provide additional inherent protection to avoid or mitigate the effects of an aircraft impact, while reducing or eliminating the need for operator actions, where practicable. In anticipation of this requirement, and to assist designers in completing this assessment, the Commission has decided to provide the beyond design basis, large commercial aircraft characteristics specified by the Commission to plant designers who have the need-to-know and who meet the NRC's requirements for the disclosure of such information. The specified aircraft characteristics that are the subject of this order are hereby designated as Safeguards Information (SGI),¹ in accordance with Section 147 of the AEA.

¹ Safeguards Information is a form of sensitive, unclassified, security-related information that the
