#### Cedar Rapids Transmission Company; Notice of Issuance of Order

June 19, 2007.

Cedar Rapids Transmission Company (Cedar Rapids) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy and capacity at market-based rates. Cedar Rapids also requested waivers of various Commission regulations. In particular, Cedar Rapids requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Cedar Rapids.

On June 15, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part

34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, Cedar Rapids is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Cedar Rapids, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Cedar Rapids' issuance of securities or assumptions of liability.
