SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (NPATMA), enacted on April 5, 2000, as Public Law 106-181, required the establishment of the NPOAG within one year after its enactment. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

The duties of the NPOAG include providing advice, information, and recommendations to the FAA Administrator and the NPS Director on: Implementation of Public Law 106-181; quiet aircraft technology; other measures that might accommodate interests to visitors to national parks; and at the request of the Administrator and the Director, on safety, environmental, and other issues related to commercial air tour operations over national parks or tribal lands.

Agenda for the September 25-26, 2007 NPOAG Meeting

The agenda for the meeting will include, but is not limited to, the following: Review and approval of previous meeting minutes; update on ongoing Air Tour Management Program projects; proposed legislative changes to NPATMA; and NPOAG subgroup assignments.
