Proposed Plan Amendment

AGENCY: Bureau of Land Management, (BLM), Interior.

ACTION: Notice of intent to amend the 1988 Pocatello Resource Management Plan.

SUMMARY: Notice is hereby given that the Bureau of Land Management (BLM) proposes to amend the 1988 Pocatello Resource Management Plan (RMP) pursuant to the regulations at 43 CFR Part 1600, with respect to management of 400 acres of Federal land in Bannock County, Idaho.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. Interested parties may submit written comments and recommendations regarding the land use plan amendment. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Comments: Interested parties may submit comments as to whether the land is physically suited for landfill purposes, whether the use will maximize the future use or uses of the land, whether the land use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

DATES: Comments will be accepted regarding the Plan Amendment, for a period of 30 days, or until September 28, 2007.

ADDRESSES: Send written comments to: David Pacioretty, Pocatello Field

Sec. 33: NW $\frac{1}{4}$, NW $\frac{1}{4}$ NE $\frac{1}{4}$.

Containing 400 acres more or less.

The County of Bannock has submitted an application to acquire these public lands near the community of Pocatello, Bannock County, Idaho to expand their existing landfill, known as the Fort Hall Mine Landfill. This site is expected to reach capacity by the year 2010. The lands applied for are not needed for Federal purposes and lie adjacent to the existing landfill. The 1988 RMP did not identify these lands for transfer out of public ownership but stated that land disposals would be considered through plan amendments where unforeseen needs are identified. The plan also reflected BLM policy of that time in stating that BLM would no longer lease or patent land for landfill purposes under R&PP Act because of the liability associated with hazardous waste disposals. BLM policy later changed as the R&PP Act was amended by Congress to allow public land to be conveyed for landfill purposes without the customary reversionary clause required for R&PP patents.

Dated: August 20, 2007.

Pocatello Field Manager.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-604]

In the Matter of Certain Sucralose, Sweeteners Containing Sucralose, and Related Intermediate Compounds Thereof; Notice of Commission Determination Not To Review an Initial Determination Granting the Motion of JK Sucralose To Intervene as Respondent

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the initial determination (“ID”) of the presiding administrative law judge (“ALJ”), granting the motion of JK Sucralose (“JK”) to intervene as respondent.

FOR FURTHER INFORMATION CONTACT:

James A. Worth, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3065. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: This investigation was instituted on May 10, 2007, based upon a complaint filed on behalf of Tate & Lyle Technology Ltd. of London, United Kingdom (“Tate & Lyle”) on April 6, 2007 and supplemented on April 13, 18, 23, and 25. 72 FR 26645 (May 10, 2007). The complaint alleged a violation of subsection (a)(1)(B) of section 337 of the Tariff Act of 1930 in the importation

into the United States, the sale for importation, and the sale within the United States after importation of certain sucralose, sweeteners containing sucralose, and related intermediate compounds thereof by reason of infringement of various claims of United States Patent Nos. 5,470,969; 5,034,551; 4,980,463; 5,498,709; and 7,049,435.

JK moved to intervene as a respondent in the investigation. JK asserted before the ALJ that it is a manufacturer of sucralose with its principal place of business at No. 118 Renming East Road, Sheyang County, Jiangsu 224300, P.R. China. According to JK, two of the named respondents, Beijing Forbest Chemical Co., Ltd. and Forbest International USA L.L.C., are customers of sucralose manufactured by JK. JK asserted that the complainant seeks relief which could apply directly to JK, including relief specific to its customers and general relief prohibiting the importation of infringing sucralose. Tate & Lyle opposed this motion. The Commission investigative attorney agreed with JK.

The ALJ granted the motion, finding that it was timely, that JK has neither requested, nor will require, an extension of the target date, that JK has an interest relating to the subject matter of the investigation, that JK’s interests are not adequately represented by any of the named parties, that JK’s motion will not prejudice any of the existing parties, and that there is good cause to grant JK’s motion to intervene. No petitions for review of the subject ID have been filed.

Having reviewed the relevant portions of the record, the Commission has determined not to review the subject ID. This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of §§ 210.19 and 210.42(h)(3) of the Commission’s Rules of Practice and Procedure (19 CFR 210.19, 210.42(h)(3)).

By order of the Commission.

Issued: August 15, 2007.

Marilyn Abbott,

Secretary to the Commission.
